Background:

About District Skill Development Plan (DSDP)

The Ministry of Skill Development and Entrepreneurship (MSDE) developed a DSDP toolkit to develop DSDP at the district level. Karnataka Skill Development Corporation (KSDC) is focusing on improving the quality and market relevance of skill development programs across the districts of the state. KSDC, GT, and PMT are working on the District Skill Development Plan Toolkit. PMT collected data for the District Skill Development Plan Toolkit.

Ballari district has successfully submitted the DSDP in 2021–22 and 2022–23, and for this year, the district skill development office has uploaded the DSDP data into the SANKALP portal called DiSPAK.

The format is prepared on the basis of the District Skill Development Plans (DSDP). There are in total 28 sheets across the 4A's: As-Is Scenario, Aggregate Demand, Analyse the Gap, and Annual Work Plan.

District Skill Committees (DSCs)

Since the District Skill Committees (DSCs) are mandated to do planning and skill training, they need assistance and guidance in the form of a standard framework. For example, most of the districts across the country have DSCs, but are called different names, such as District Skill Development Committee, District Skill Development Authority etc. The members of these committees are District administration officials like District Employment officer, Agriculture officer, Panchayat Raj officer, Manager Lead bank, General Manager District Industries Center etc. Members from industry and civil society organizations can also be co-opted under DSC.

The District Skill committee was formed in Ballari district and the committee engaged in (i) Planning, (ii) Mobilization and Counselling, (iii)Industry engagement & Entrepreneurship, (iv) Monitoring & Evaluation and MIS and (v) other Support Functions. There are 21 members from different line departments who are the members of the DSC and the committee chairperson is the Deputy Commissioner of the district.

All the Eight Sub-committees have been formed in Ballari districts with all the requisite members appointed as per the requirement of the DSC Skill Sub-committees are formed which can take up specific set of activities and projects. Some of the subcommittees that the DSC is given below.

1. Mobilization and Counselling
2. Training Quality
3. Industry Interface
4. Self-Employment
5. Gram Panchayat Coordination
6. Agriculture
7. Capacity building
8. MIS. Monitoring & Convergence

Objectives:

The objectives of adoption and usage of DSDP tool kit are as follows.

1. To understand the Skill ecosystem of Ballari district.
2. To create an Institutional Mechanism for designing, implementation, M&E of skill development programmes and assign roles and responsibilities to streamline the process for achievement of desirable outcomes.
3. To create convergence of skill development programmes to avoid duplicity in the implementation at the district level and better utilization of financial resources.
4. To understand the type, nature and coverage of the skill development activities implemented by the other departments apart from State skill development mission (SSDM)
5. To understand the capacity, competence and formal recognition of existing trainers in the district.
6. To understand the current capacity of training partners across the variety of sectors and job roles and examine the status of adoption of the NSQF framework.
7. To understand the current role and capacity of the primary sector in the economy of the district.
8. To understand the coverage of marginalized communities in the demand sector and job roles, placement of the candidates, average remuneration, etc
9. To understand the progress of the skill development activities within the district against the three major components.

(a) Institutional Strengthening at the District Levels for Planning, Delivering, and Monitoring of Skill Development Programmes.

b) Improved Quality and Market Relevance of Skill Development Programs.

c) Improved Access and Completion of Skill Training for Women and Other Disadvantaged Groups.

10. To understand the demand and perspective of the industry in terms of expected recruitment, job roles, skill gap, quality of training, incentivization of skill workforce etc.
11. To understand the gap between the supply side and the demand side for design and improvement of current policies and procedures

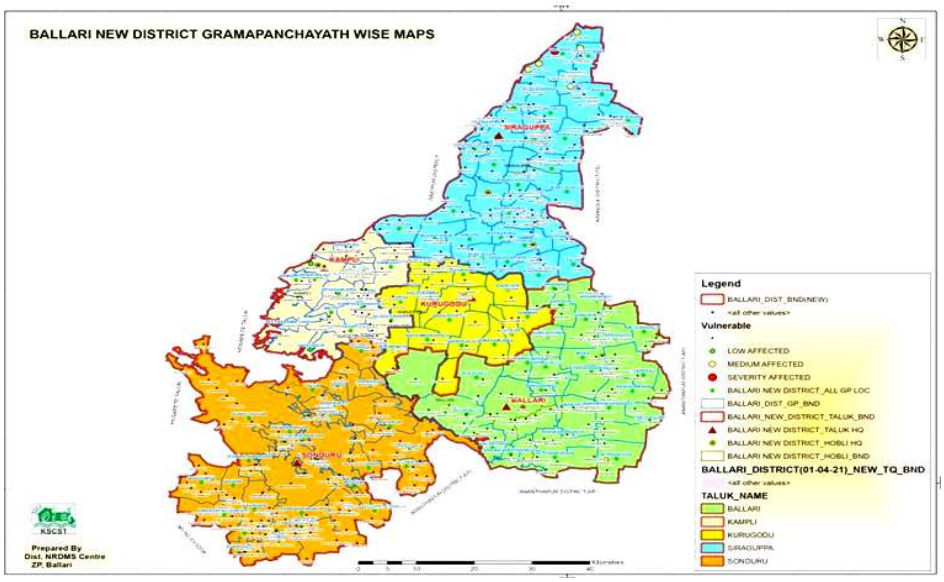

12. To create a holistic annual action plan with defined outcomes based on the gaps identified during the study.

2. District Profile

District Overview:

Ballari district is spread from the southwest to the north and is situated on the eastern side of Karnataka State. This district is bounded by Raichur district on the north, Vijayanagara district in the west, Chitradurga and Davanagere districts on the south and Anantapur and Kurnool districts of Andra Pradesh on the east. It comes the administrative control of Kalburgi Division and the developmental jurisdiction of "Kalyana Karnataka Region Development Board" (K.K.R.D.B), Kalburgi. The district has also been granted special status under Article 371J due to backwardness and lack of development.

On 18th November 2020, Ballari was parted off and was named as Vijayanagara district, the 31st district of Karnataka State consisting of six talukas and leaving Ballari district with five taluks. Presently, Ballari consists of Ballari, Kampli, Kurugodu, Sandur and Siruguppa, whereas Vijayanagara district consists of Hospete, Hadagali, Harapanahalli, Hagaribommanahalli, Kotturu and Kudligi.

Source: Ballari.nic.in

After the partition, Ballari district has an area of 4252 sq km and a population of 14,00,970 with a population density of 329 per sq. Km and a gender ratio of which 55.13% lives in rural areas and has an urbanization rate of 38% as per the 2011 census. The administration consists of one revenue subdivision viz., Ballari subdivision and divided into 5 talukas. Further, these are subdivided into 13 Hoblies, 100 Gram Panchayats, 169 V.A circle, 1 City Corporation(Ballari), 1 City Municipal Council (Siruguppa), 4 Town Municipal Council (Kampli, Kurekoppa, Kurugodu, Sandur), 2 Taluk Panchayats, 279 inhabited villages and 17 inhabited villages.

3.Demographic Profile

Population:

As per district at a glance 2020-21, Ballari district has a population of 14 lakh population - 2.2% of the state population. The Majority of the population (45.19%) is concentrated in the Ballari sub-district, followed by Sandur(18.57%),Siruguppa(19.21%),Kampli(8.72%) and Kurugodu(8.31%). The district has a decadal growth of 20.54%. The male population and female population being 50% and 49.6% of the total district population respectively constitute a sex ratio of 984 females to 1000 males. The district constitutes 55.13% of the people living in the rural part and the remaining 44.87% on the urban side.

5. District Sector Profile:

- **Primary Sector:**

Agriculture and allied sectors in Ballari are the 3rd place in the district economic profile, just after the Industries and Service sector in its contribution towards GDDP. The primary sector of Ballari district contributes 13.1%* to the GDDP, which is less than Karnataka state. As shown below, more than half of the total area has been utilized for agriculture and the district has been supported by the Tungabhadra, Chikkahagari and Hagari rivers, which are extensively used for irrigation purposes. According to the district's topology, the region gets an annual rainfall of 608mm, and it gets most of its rainfall in the south-west monsoon like others in the June to September months of the year.

*Includes data of Ballari

Geographical Area Utilization

Some of the major crops have been shown below:

Sl.no	Cereals	Area Sown (in Hectares)	Output (in Tonnes)	Taluks
1	Paddy	115280	710521	Ballari,Siruguppa,Kampli,Kurugodu
2	Jowar	14438	29586	Ballari, Sandur,Siruguppa
3	Maize	18730	48701	Ballari,Sandur

Sl.no	Pulses	Area Sown (in Hectares)	Output (in Tonnes)	Taluks
1	Toor Dal	2012	1427	Ballari, Kurugodu
2	Bengal Gram	13414	8420	Ballari, Kampli, Siruguppa

Sl.no	Oil Seeds	Area Sown (in Hectares)	Output (in Tonnes)	Taluks
1	Ground Nut	5398	67284*	Sandur
2	Sunflower	2012	11590*	Siruguppa

Sl.no	Fruits	Area Sown (in Hectares)	Output (in Tonnes)	Taluks
1	Sapota	666	10210	Ballari
2	Banana	191	13878	Sandur
3	Papaya	52	3852	Sandur,Siruguppa
4	Pomegranate	414	6056	Kurugodu

Sl.no	Vegetables	Area Sown (in Hectares)	Output (in Tonnes)	Taluks
1	Tomoto	103	10454	Sandur,Ballari
2	Onion	348	23463	Sandur
3	Green Chillies	88	9380	Ballari,Sandur, Siruguppa
4	Brinjal	61	6056	Kurugodu

The **One District, One Product (ODOP)** under the PM Formalization of Micro-food Processing Enterprises Scheme (PMFME) provides financial, technical and business support for the upgrade of existing micro-food enterprises. So, under the ODOP scheme, Fig **(Anjura)** dry fruit has been assigned to Ballari district and action is taken by concerned departments to improve its production and processing, including some value addition by the Krishi Vigyan Kendra, Hagari.

- **Secondary Sector:**

The Industrial Sector has taken 2nd place after contributing 23.8%* to the district GDP after the service sector. Some of the industries that are included on a large, medium and small scale are Automobiles, Chemicals, Electrical and Electronics, Food and Intoxicants, Leather, Paper and printing, Rubber and Plastic, Wood and others. The number of units present and number of people employed.

SL.No	Category	No of Units	Employed
1	Large Scale	17	12,194
2	Medium Scale	15	1,432
3	Textiles	3,743	8,470
4	Others	7,018	69,115

Manufacturing Industries in Ballari dist.

Sl.No	Types of Unit	No of Units	Total Employment
1	Manufacturing Activities	642	6,058
2	Mining and quarrying	23	738
3	Other Manufacturing	40	300
4	Other Mining and quarrying	42	921
5	Other Micro and Small	766	11,544
Total		**1513**	**19561**

Ballari district has been titled as “Jeans Capital of South India” and, as per the name; the district consists of textile factories, especially of jeans stitching, jeans washing and dyeing units and other apparel factories employing a good number of employees, as shown below. The quality of cotton jeans made in Ballari is well known around the world and exported to many countries.

Also, Ballari has been the base of many famous cotton jeans brands, like Point Blanc, Nasty, Hotline, Pierre Bellary and Power. During the Global Investor Meet (GIM), Bangalore, a plan was made to develop a Green Field Textile Park and an Apparel Park for the growth of the textile industry.

The other title given to the district **is "Steel Capital of South India"**, due to the iron ores (Hematite) deposit in the district. The district has the highest number of sponge iron units in Karnataka and some of the famous steel producers in the district are JSW Steel Pvt Ltd, Arcelor Mittal India Ltd and Bhushan Steel Ltd. During the Global Investor Meet (GIM) 2012, Bangalore Investor more than 30 projects were assigned to the iron and steel industry.

Service Sector:

The service sector takes the driving seat by contributing 69%* greater than, Karnataka state average (60%) to the district GDP. The district also has a share of 3.1%* in state service GVA. The key services which, trade are real estate, banking and insurance, business and legal services, transportation, trade legal services, trades and hotel and other sectors as detailed below. As per the recent data by District Industries Center, Ballari district, there are 3,797 service units employing 30,704 people being the highest intake in the sector. During the Global Investor Meet (GIM) 2012, Bangalore attracted some projects in the hospitality sector at a good investment rate. The table below details different sectors, number of units and total employment provided.

Sl.no	Type of unit	No of units	Total employment
1	Accommodation	5	251
2	HR Management Consultancy	5	316
3	Advertising and Marketing Research	4	14
4	Air Transport	2	51

5	Retail	87	33	**120**
	Total	**371**	**725**	**1096**

Vocational Training and Placement:

The perspective of vocation training is that through professional skill training, a livelihood could be created for those who have dropped out of schools and colleges or who are very interested in any of the local traditional crafts. Vocational training is also about fulfilling the long-term demand of local industry by training the common requirements of people and placing them in the needy sector. Also, to reduce the unemployment rate and the demand aggregation, in the recently framed „National Education Policy(NEP)", vocational training has been made a part of parallel to the syllabus and also with facilities like Atal tinkering lab or making surrounding ITI colleges, CMKVY training centers or DDU-GKY centers as their practical labs. Hence, students before passing out of school know about their interests, which would further be helpful in the selection of professional courses for graduation.

7. Gap Analysis - Key Findings

1) Demand Supply Gap Manufacturing and Service

a) Top trades where demand is higher than training capacity		
SL.No	Sector	Trade
01	IT-ITES	Web developer, Security Analyst, Domestic Data entry Operator.
02	Mining	Mine Electrician, Mine driller, Wending Engine Operator.
03	Apparel	Sampling Tailor, Store keeper, Specialized Sewing Machine Operator

b) Trades where there is excess capacity		
SL. No	**Sector**	**Trade**
1	**Automotive**	**CNC Operator / Machining Technician Level 3**

2) Geographical Coverage Gaps

a) Taluks where Training Centres Needed:

SL NO	Taluks	Action
1	SIRGUPPA	**Training centres need to be established in these Talukto benefit rural aspirants.**
2	SANDUR	
3	KURUGODU	
4	KAMPLI	

b) New Trades Needed:

SL NO	Sector	Trade	Action
1	Iron & Steel	Battery Anchorage Regulator,Control Room Operator, Dumper Operator,	**New trade requirements are based on sample survey**
2	IT-ITES	Web developer,Security Analyst, Software Developer	

3) Inclusion Gaps

a) Trades for SC/ST Inclusion:

Sl.No	Sector	Trades for SC/ ST Inclusion
1	IT-ITES	Software Developer
2	Beauty & Wellness	Beauty Therapist
3	Retail	Retail Sales Associate
4	Automotive	CNC Operator / Machining Technician Level-3
5	IT-ITES	Domestic Data entry Operator
6	Logistics	Warehouse Picker
		Warehouse Packer
7	Retail	Retail Sales Associate
8	Tourism &Hospitality	Counter Sale Executive
9	Handicrafts &Carpets	Lambani Kasuthi
10	Banking, Financial Services and Insurance	Accounts Executive (Accounts Payable & Receivable)
		Accounts Executive (Payroll)
		Accounts Executive (Recording, Reporting)
		Goods & Services Tax (GST) Accounts Assistant

b) Trades for Women Inclusion:

Sl.No	Sector	Trades for Women Inclusion
1	Apparel, Made-Ups & Home Furnishing	Sewing Machine Operator
2	Food Processing	Dairy Processing Equipment Operator
3	Beauty & Wellness	Assistant Hair Stylist
4	Beauty & Wellness	Assistant Spa Therapist
5	Beauty & Wellness	Beauty Therapist
6	IT-ITES	Software Developer

4) Gaps in Placements

a) Focus Trades in Placements:

Sl. No	Sector	Trade Name
1	IT-ITES	Software Developer
2	Iron & Steel	Process Operator, Laboratory Technician - Physical Analysis
3	Automotive	CNC Operator / Machining Technician L3
4	Banking, Financial Services and Insurance	Accounts Executive (Recording, Reporting)
		Goods & Services Tax (GST) Accounts Assistant
5	Beauty & Wellness	Beauty Therapist
6	IT-ITES	Domestic Data entry Operator

b) Top job roles where demand in the district:

Sl. No	Job roles	Sector
1	Tourism & Hospitality	Food & Beverage Service-Steward
2	Tourism & Hospitality	Front Office Associate
3	Tourism & Hospitality	Multi-cuisine Cook
4	Tourism & Hospitality	Tour Guide
5	Tourism & Hospitality	Driver cum tour guide
6	Tourism & Hospitality	House Keeping
7	Tourism & Hospitality	Laundry
8	Tourism & Hospitality	Chef-de-partie
9	Agriculture	Dairy Farmer, Construction
10	Agriculture	Mushroom Grower
11	Agriculture	Organic Grower

12	Agriculture	Vermicompost producer
13	Agriculture	Nursery worker
14	Plumbing	Plumber
15	Construction	Assistant electrician, Mason Gen, Mason, Bar
16	Furniture & Fittings	Carpenter Wooden Furniture
17	IT-ITES	Domestic IT helpdesk Attendant
18	IT-ITES	Domestic data entry operator
19	IT-ITES	Junior Software Developer
20	IT-ITES	Web Developer
21	Apparel, Made-Ups & Home Furnishing	Self Employed Tailor
22	Beauty & Wellness	Assistant Beauty Therapist
23	Banking, Financial Services and Insurance	Accounts Executive (Accounts Payable & Receivable)
24	Rubber	Mill Operator, Machine Operator
25	Others	Home Made Wine and Chocolate
26	Others	Language (c#/c++/Java), Spoken English, Soft Skill and Communication skills.

When we analyzed the gap from the collected data, it's clear that there is a requirement to increase the training capacity.

- **SWOT**

Strategies and Priorities based on SWOT and other inputs.

Sl.No	Strengths of the District	Weaknesses of the District
1	The Growing Retail Sector.	Low awareness among the youth about skill training
2	Large number of educational institutions providing quality education.	Slowdown in the textile due to paradigm shift from growing cotton.
3	Strategic location a portal to connect North & South Karnataka.	Lack of Cold storage facilities in the district
4	Good Healthcare infrastructure.	Power cuts impacts industry production
Sl.No	**Opportunities**	**Threats**
1	Emphasis on value addition in agro based industry.	Youth attracted to Hyderabad / Bangalore
2	Flourishing Tourism and Hospitality Industry	Lack of skilled manpower discourages new industry development
3	Emphasis on training women in agriculture and allied fields.	Lack of training centres across the talukas of the districts
4	Focusing on import of Areca based product to different countries.	Training centres focusing on only three-four sectors, hence no scope for newer skill trainings.

Annual Work Plan

a) Demand for Skilled Personal

Demand for skilled personal is a key function for DSCs. Some of the initiatives of the DSCs are Mapping demand requirements, Placement Drive, CXO Meets, GPDP demand, Apprenticeship.

Initiative	**Mapping Demand Requirements**
Key Activates	1) Conduct Surveys and Market Research: Regularly engage with local businesses, industries, and employers to understand current and future skill requirements. 2) Data Analysis: Utilize labour market information systems to analyse employment trends, job vacancies, and skill gaps. 3) Stakeholder Meetings: Organize quarterly meetings with industry representatives/ Chamber of Commerce, educational institutions, and training providers to discuss skill demand.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	05
Budget	20,00,000/-

Initiative	**Placement Drives**
Key Activates	1) Partner with Employers: Collaborate with local and regional employers to organize job fairs and campus recruitment drives. 2) Candidate Preparation: Provide pre-placement training, including resume writing, interview skills, and soft skills. 3) Follow-Up: Track the outcomes of placement drives and gather feedback from employers to improve future initiatives.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	20
Budget	**25,00,000/-**

b) Enrolment and Counselling of Trainees

Effective mobilization for trade which is in demand is important. Also, trade allocation as per aptitude of trainee would help in reducing dropouts. DSC can undertake initiatives for centralized mobilization, block wise mobilization calendars, aptitude testing and counselling, aptitude testing in schools etc.

Initiative	**Centralized Mobilization**
Key Activates	1) Create a Centralized Database: Develop a centralized database of potential trainees, employers, and training programs. 2) Launch Awareness Campaigns: Utilize media (print, digital, radio) to spread awareness about available training programs and their benefits. 3) Outreach Programs: Conduct outreach programs in communities, educational institutions, and local organizations to attract potential trainees.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	Central Mobilization Team (05) Employ
Budget	**20,00,000/-**

c) Monitoring of Training Activities in the District

Initiative	**Monitoring Training Centres**
Key Activities	1) Schedule regular field visits to training sites. 2) Conduct initial, mid-term, and final evaluations of training sessions. 3) Collect data through surveys, interviews, and observation.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	01
Budget	**5,00,000/-**

d) Promoting Self Employment Activates in District:

Initiative	Entrepreneurship Development Program
Key Activities	The EDP program can be conducted with the help of CEDOK to reach out small Entrepreneur and local small business. Skill Development and Training 1) Workshops and Training Programs: Offer regular workshops on entrepreneurship, business management, digital marketing, and specific vocational skills. 2) Mentorship Programs: Establish mentorship networks connecting new entrepreneurs with experienced business owners. 3) Collaboration with Educational Institutions: Partner with local colleges and vocational training centres to provide entrepreneurial education and training.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	As per the requirement by DSC
Budget	5,00,000/-

e) DSC Capacity Building Activities:

Initiative	Capacity Building Workshop
Key Activities	The DSC should conduct capacity building workshops to their committee members and sub-committee member to have complete knowledge about on-going trainings and scheme by the government. The workshop content as below given points: 1) Mobilization and Counselling 2) Training Quality 3) Industry Interface 4) Self-Employment 5) Gram Panchayat Coordination 6) Agriculture 7) Capacity Building 8) MIS, Monitoring & Convergence
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	As per the requirement by DSC
Budget	**8,00,000/-**

Annual Budget Plan

Sl No	Activity	Addition resources required (YES/NO)	Type of resources required (individual consultant or agency)	Number of resources required	Annual Tentative Budget Required (in INR)
1	Mapping Demand Requirements Conducting surveys, developing, and implementing training programs, organizing events, monitoring and evaluation and promotional activities. Awareness on the various Schemes Feedback Mechanism	Yes	Consultant	5	**20,00,000/-**
