Background

About DSDP Toolkit

Ministry of Skill Development & Entrepreneurship (MSDE) developed District Skill Development Plan (DSDP) tool kit to develop DSDP at district level. Karnataka Skill Development Corporation (KSDC) is focusing on Improved Quality and Market Relevance of Skill Development Programmes across the districts of the state. KSDC, Project Management Team (PMT) is working on the District Skill Development Plan Toolkit. PMT collected data for District Skill Development Plan Toolkit.

The format is prepared on the basis of the DSDP. There are in total 22 sheets across the 4A's: As-Is Scenario, Aggregate Demand, Analyse the Gap, & Annual Work Plan.

In section I of as scenario, captured the details on District Overview, As Is Schemes, As-Is Trainer Data, As-Is ITI Trade Data, As-Is TC Information, As-Is Agri, Trainee Analysis and Cost of Training. It helped in developing District Skill Matrix. District skill matrix is the tool to measure the skill training capacity and process maturity of the district w.r.t Technical and

Scanned with OKEN Scanner

Vocational Training (TVET). The district skill matrix has been designed to be in sync with the State Improvement Grant (SIG) Matrix and is structured around the three components listed below.

Component 1 – Institutional Strengthening

Component 2 – Enhancing Market Relevance and Quality

Component 3 – Inclusion and Access

In section II of aggregate demand, captured the details on Survey Employer, Skill Gap Study, MacroAnalysisBasedDemand, Demand GPDP &Govt Agenda, Self-Employment and Primary sector

Further analysed the gaps in section III with the components like matrix analysis and gap analysis.

District Skill Committees (DSCs)

Since the District Skill Committees (DSCs) are mandated to do planning and skill training they need assistance and guidance in the form of a standard framework. For example, most of the districts across the country have DSCs, but are called with different names such as District Skill Development Committee, District Skill Development Authority etc. The members of these committees are District administration officials like District Employment officer, Fisheries officer, Agriculture officer, Panchayati Raj officer,Project Director District Urban Development Cell, Joint Director Higher Education Department, Joint Director Social Welfare Department, Manager Lead bank, Joint Director District Industries Centre etc. Members from industry and civil society organizations can also be co-opted under DSC.

District Skill committee is formed in Bangalore Urban district and the committee is engaging in (i) Planning, (ii) Mobilisation and Counselling, (iii)Industry engagement & Entrepreneurship, (iv) Monitoring & Evaluation and MIS and (v) other Support Functions. There are 16 members from different line departments are the members of the DSC and the committee chairperson is Deputy Commissioner of the district.

All the eight sub committees have been formed in Bangalore Urban district with all the requisite members appointed as per the requirement of DSC Skill Book. Sub-committees are formed which can take up specific set of activities and projects. Some of the sub committees of the DSC are given below.

- Mobilization and Counselling
- Training Quality
- Industry Interface
- Self-Employment
- Gram Panchayat Coordination
- Agriculture
- Capacity Building

Scanned with OKEN Scanner

- MIS, Monitoring & Convergence

All 08 Sub Committeeshas toconduct skill sub committee meetings once in every 2 months regularly as per the guidelines.

Taluk Skill Committees (TSC's)

Order No-SELD 152 Kai Ta Ea2017 Bangalore Date:20.04.2017has been ordered byGovernment that to create a TalukaKashayla Samiti at Taluk levelin the state, to carry out theimplementation of skill development, entrepreneurship, and livelihood activities through committees and to achieve the expected results. According to the order Taluk Skill Missions have been constituted in 5 Taluks of Bangalore Urban District.

Namely

1) Bangalore North

2)Bangalore South

3)Bangalore East

4) Yelahanka and

5)Anekal.

Process adopted by Project Management Team

Three workshops were organized for capacity building of DSDOs on DSDP Toolkit launched by MSDE, GoI for creation of District Skill Development Plans. The agenda of the workshop were on Usage of DSDP Toolkit, Section I – As-Is Assessment (District Skill Matrix), Section II – Aggregate Demand.

As a part of the SANKALP scheme, Karnataka Skill Development Corporation (KSDC) is organized one day workshop for the capacity building of the district skill experts and other staffs for all the 8 sub committees. The workshop was aimed to build the capacity on Roles and Responsibility of the DSC members, Sub-committee members and key staffs to plan, execute projects and improve the quality of the training programs at district level. All the Sub- committees' members were attended the workshops from the district.

Orientation workshop on Section-2 Aggregate Demand was organized with the participation from DSDOs and DICs. It has been initiated w.e.f. 1st February 2021. Oriented on Aggregate Demand activity and on its expected outcome. PMT has been regularly coordinating and internal weekly review meeting conducted with PMT with respective DCs, DSDOs and other line department to collect the data. Preliminary analysis of labour market trends using administrative data available in District Office and external sources completed.

Development of District Skill Matrix and Aggregate Demand of DSDP toolkit has been initiated in coordination with DSDOs as a part of creation of District Skill Development Plan (DSDP) subject to availability of data. PMT had organized orientation workshops for DSDOs by SANKALP team, MSDE, GoI on DSDP Toolkit. PMT has organized orientation workshop for DSDOs on Section1: District Skill Matrix. Reviewed and suggested corrective measures on district skill matrix submitted by DSDOs.

Key Steps followed:

- Capacity building on DSDP tool kit for DSDOs, DSCs, district level PMT and TPs
- Identification of key employers in the district and local trade association/ chambers of commerce and industry (DIC)
- Seminar/Meeting with key employers
- Meeting with DICs and other line departments
- Collection of data
- Analysis and compilation

Objectives:

The objectives of adoption and usage of DSDP tool kit are as follows,

Scanned with OKEN Scanner

- To understand the Skill ecosystem of Bangalore Urban district.
- To create Institutional Mechanism for designing, implementation, M&E of skill development programmes and assign roles and responsibilities to streamline the process for achievement of desirable outcomes.
- To create convergence of skill development programmes to avoid the duplicity in the implementation at the district level and better utilisation of the financial resources.
- To understand the type, nature and coverage of the skill development activities implemented by the other departments apart from State skill development mission (SSDM).
- To understand the capacity, competence and formal recognition of existing trainers in the district.
- To understand the current capacity of training partners across the variety of sectors and job roles and examine the status of adoption of NSQF framework.
- To understand the current role and capacity of primary sector in the economy of the district.
- To understand the coverage of marginalised communities in the demand sector and job roles, placement of the candidates, average renumeration, etc.
- To understand the progress of the skill development activities within the district against the three major components.

  (a) Institutional Strengthening at the District Levels for Planning, Delivering, and Monitoring of Skill Development Programmes.

  (b) Improved Quality and Market Relevance of Skill Development Programs.

  (c) Improved Access and Completion of Skill Training for Women and Other Disadvantaged Groups.

- To understand the demand and perspective of the industry in terms of expected recruitment, job roles, skill gap, quality of training, incentivisation of skill workforce etc.
- To understand the gap between supply side and demand side for design and improvement of current policies and procedures.
- To create a holistic annual action plan with the defined outcomes based on the gaps identified during the study.

District Profile

District Overview

Bangalore Urban district consists of 5 taluks namely Bangalore North (Bengaluru), Bangalore South (Kengeri), Bangalore East (Krishnaraja Pura), Yelahanka and Anekal. Bangalore Urban district is spread from southwest to northeast and is situated on the eastern side of Karnataka state. The district lies stretched between the north latitudinal parallels of 12 degree

Scanned with OKEN Scanner

39 minutes and 13 degree 14 minutes on the one hand and the east longitudinal meridians of 77 degree 19 minutes and 77degree 50 minutes on the other. The geographical area is 2,208 km².

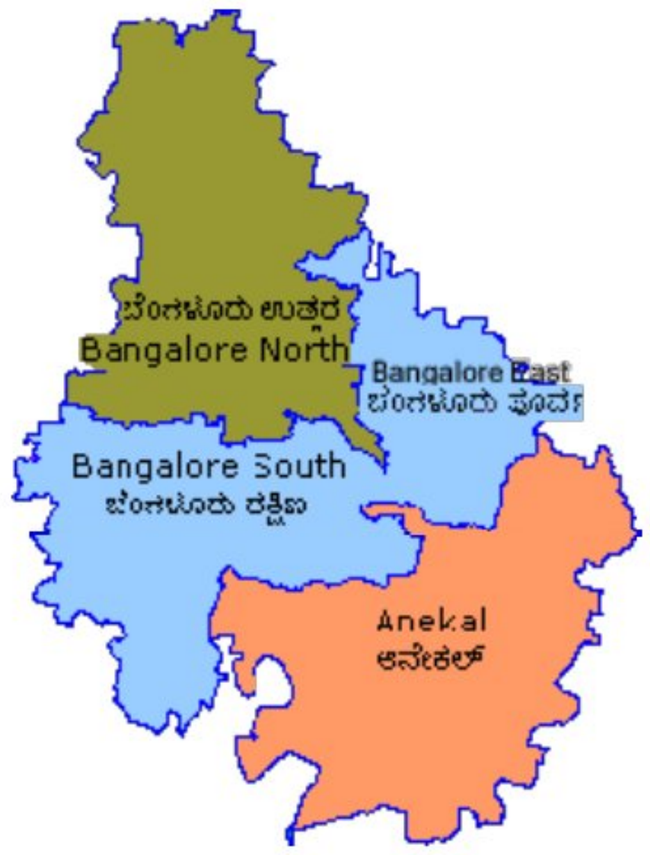

Bangalore district is surrounded by Bangalore Rural district on the northwest and northeast, Ramanagara district in the southwest and Tamilnadu State in the southeast.

Supply Side Profile

Demographic Profile

Bangalore Urban is the District in the Indian state of Karnataka. It is surrounded by the Bangalore Rural district on the east and north, the Ramanagara district on the west and the Krishnagiri district of Tamil Nadu on the south. Bangalore Urban district came into being in 1986, with the partition of the erstwhile Bangalore district into Bangalore Urban and Bangalore Rural districts. Bangalore Urban has five taluks: Bangalore North (Bengaluru), Bangalore South (Kengeri), Bangalore East (Krishnaraja Pura), Yelahanka and Anekal. The city of Bangalore is situated in the Bangalore Urban district. The district has 17 hoblies, 872 villages, 2city municipal councils,7 town municipals councils, 1 Town Panchayaths and five talukas. Electronics City is situated in Anekal Taluka.

The district had a population of 6,537,124 of which 88.11% is urban as of 2001. As of Census 2011, its population has increased to 9,621,551, with a sex-ratio of 908 females/males, the lowest in the state and its density is 4,378 people per square km.

Table 1: Demographic details of Bangalore Urban district

Temperature	37° C {Max} 6° C {Min}	**District Headquarter**	Bengaluru City
Relative Humidity (%)	79 (Max) 45 (Min	**Population**	96,21,551 (As per Census)

Potential industries

IT & BT Capital:

- Country's leading IT exporter.
- 87 SEI CMN Level-5 IT companies in the world and there are 63 in India out of which more than 50% are in Bengaluru.
- 4th Largest technology cluster in the world and largest in Asia.
- Out of 30 top BT Schools in India, 20 are in Bengaluru.
- Home to the biggest bio cluster in Electronic City
- Bengaluru Biotech Park- Spread over 1OO acres with World-Class Infrastructure, State-of-the art Biotech Incubators, Common Facilities Centre and Digital DNA Park
- 2180 companies in Software Technology, 196 B 2156 IT, etc.

Engineering:

- Bengaluru - the main expo hubs of the country and hosts IMTEX the largest machine tool trade fair in South Asia
- Home to industrial Icons like - Toyota, Bosch, L&T, Kirloskar, Escorts Ltd {Automotive Division), Volvo.
- Delphi Automotive Systems Pvt. Ltd. has expanded its technical centre in Bengaluru with an investment of US $25 million

Scanned with OKEN Scanner

Aerospace:

- Aerospace SEZ in 250 acres of land near Bengaluru International Airport
- India's first private aircraft factory Hindustan Aircraft Ltd. began its operations in Bengaluru. Also, 4 out of 9 R&D centres of HAL are in Bengaluru.
- Airbus Industries has located its Airbus Engineering Centre at Bengaluru.
- Internationally renowned institutions like HAL, DRDO, ISRO, ADA, NAL, Antrix are based in Bengaluru.
- Bengaluru is the headquarters of ISRO & DRDO also DRDO has 5 aeronautic centers in Bengaluru.
- Pesence of renowned industrial icons - AirWorks India Engineering and QUEST Global

Knowledge Based Industries:

- Microsoft Research India is planning to open its 2nd R&D centre in Bengaluru.
- The Indian Institute of Human Settlements {IIHS), the country's first university exclusively focused on urban affairs to be based at Bengaluru with a proposed investment of US $52.08 mn.
- Philips Innovation Campus in Bengaluru involved extensively in designing innovative engineering, healthcare and consumer lifestyle solutions.
- IBM, present in India since 1992, has one of its 10 global innovation centers in Bengaluru.
- GE Healthcare, Bengaluru is G s innovation centre providing innovative solutions for healthcare industry.
- Medical Hub due to the presence of World's argest 'healing center' and 'telemedicine center

Source:Survey Employer

Secondary Sector

Based on the information obtain of the Survey of Employer in the Secondary Sector from Survey of Employer. Totally 116 industries were surveyed in which there were 77 industries from the Large-Scale level industries 05 industries from the Medium Scale level industries and 34 Small scale industries. Sectors covered were both from Manufacturing and Service sector. It's found that the major requirement is in the Automotive Sector for the job role of Fitter, operator. There are requirements in automotive sector in which at present the Short-term skill training is not training the youth in these job roles.

Source:DSC Committee meeting on 14-May-2024.

Survey was conducted with Totally 116 industries were surveyed in which there were 77 industries from the Large-Scale level industries 05 industries from the Medium Scale level industries and 34 Small scale industries. Sectors covered mainly Retail, Apparel, Construction, Banking and Financials, Automotive, Capital goods and Machine maintenance. Based on the recruitment made by the employers it shows that there is ample opportunity for expanding the skill training activities to other Job roles.

Gap Analysis

Demand Supply Gap in Manufacturing and Service sector.

It's clear from the data that there more trainings were conducted in Apparels and logistics sectors in the district and demand is low for these sectors but high in supply for job roles like Inline Checker, Sewing Helpers and Delivery Associater. However, the demand and supply are low in automotive sector for job roles CNC Turning and CNC machine and Fitter. Sector which are high in supply and high in demand are Logistics, Apparels and IT-ITES sectors for thr roles Warehouse Associate, Sewing Machine Operator and Domestic Data entry Operator.

Annual Work Plan

a) Demand for Skilled Personal

Demand for skilled personal is a key function for DSCs. Some of the initiatives the DSC can take are Mapping demand requirements, Placement Drive, CXO Meets, GPDP demand, Apprenticeship,

Initiative	**Mapping Demand Requirements**
Key Activates	1) Conduct Surveys and Market Research: Regularly engage with local businesses, industries, and employers to understand current and future skill requirements. 2) Data Analysis: Utilize labour market

Scanned with OKEN Scanner

	information systems to analyse employment trends, job vacancies, and skill gaps. 3) Stakeholder Meetings: Organize quarterly meetings with industry representatives, educational institutions, and training providers to discuss skill demand.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	5
Budget	Rs10,00,000/-

Initiative	**Placement Drives**
Key Activates	1) Partner with Employers: Collaborate with local and regional employers to organize job fairs and campus recruitment drives. 2) Candidate Preparation: Provide pre-placement training, including resume writing, interview skills, and soft skills. 3) Follow-Up: Track the outcomes of placement drives and gather feedback from employers to improve future initiatives.
,Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	20
Budget	Rs 25,00,000/-
Initiative	**Gram Panchayat Development Plans (GPDP) Demand Integration**
Key Activates	1) Engage with Panchayats: Collaborate with Gram Panchayats to understand local development plans and skill needs. 2) Training Programs: Design and implement training programs that align with GPDP objectives, such as agriculture, small-scale industries, and rural entrepreneurship. 3) Monitoring and Evaluation: Regularly monitor the progress and impact of these training programs on local development.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	Rural Development and Training Team
Budget	3,00,000/-

Scanned with OKEN Scanner

b) Enrolment and Counselling of Trainees

Effective mobilisation for trades which are in demand is important. Also trade allocation as per aptitude of trainee would help in reducing dropouts. DSC can undertake initiatives for centralised mobilisation, block wise mobilisation Calanders, aptitude testing and counselling, aptitude testing in schools, Degree Colleges, Engineering Colleges, Pharmacy Colleges ,Management Colleges, Paramedical Colleges, Universities', Polytechnics, ITI Colleges etc.

Initiative	**Centralized Mobilization**
Key Activates	1) Create a Centralized Database: Develop a centralized database of potential trainees, employers, and training programs. 2) Launch Awareness Campaigns: Utilize media (print, digital, radio) to spread awareness about available training programs and their benefits. 3) Outreach Programs: Conduct outreach programs in communities, educational institutions, and local organizations to attract potential trainees.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	20
Budget	Rs 10,00,000/-

Initiative	**Blockwise Mobilization Calendars**
Key Activates	1) Develop Calendars: Create mobilization calendars for each block to ensure systematic and timely engagement. 2) Coordinate with Local Authorities: Work closely with local authorities and community leaders to schedule and promote mobilization events. 3) Monitor Progress: Track attendance and engagement at each event to identify successful strategies and areas for improvement.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	10
Budget	Rs 10,00,000/-

c) Monitoring of Training Activities in the District

Initiative	**Monitoring Training Centres**

Scanned with OKEN Scanner

Key Activates	1) Schedule regular field visits to training sites. 2) Conduct initial, mid-term, and final evaluations of training sessions. 3) Collect data through surveys, interviews, and observation.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	1
Budget	Rs 5,00,000/-

d) Promoting Self Employment Activates in District:

Initiative	**Entrepreneurship Development Program**
Key Activates	The EDP program can be conducted with the help of CEDOK to reach out small Entrepreneur and local small business. Skill Development and Training 1) Workshops and Training Programs: Offer regular workshops on entrepreneurship, business management, digital marketing, and specific vocational skills. 2) Mentorship Programs: Establish mentorship networks connecting new entrepreneurs with experienced business owners. 3) Collaboration with Educational Institutions: Partner with local colleges and vocational training centres to provide entrepreneurial education and training.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	As per the requirement by DSC
Budget	5,00,000/-

e) DSC Capacity Building Activities:

Initiative	**Capacity Building Workshop**
Key Activates	The DSC should conduct capacity building workshops to their committee members and sub committee member to have complete knowledge about on-going trainings and scheme by the government. The workshop content as below given points:

Scanned with OKEN Scanner

	1) Mobilization and Counselling 2) Training Quality 3) Industry Interface 4) Self-Employment 5) Gram Panchayat Coordination 6) Agriculture 7) Capacity Building 8) MIS, Monitoring & Convergence
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	As per the requirement by DSC
Budget	8,00,000/-

Sl No	Activity	Addition resources required (YES/NO)	Type of resources required (individual consultant or agency)	Number of resources required	Annual Tentative Budget Required (in INR)
1	Mapping Demand Requirements	Yes	Consultant	5	Rs 10,00,000/-
2	Placement Drives	Yes	Consultant	20	Rs 25,00,000/-
3	Gram Panchayat Development Plans (GPDP) Demand Integration	Yes	Rural Development and Training Team	1	Rs 3,00,000/-
4	Centralized Mobilization	Yes	Consultant	20	Rs 10,00,000/-
5	Block wise Mobilization Calendars	Yes	Consultant	10	Rs 10,00,000/-
6	Monitoring Training Centres	Yes	Consultant	1	Rs 5,00,000/-
7	Entrepreneurship Development Program	Yes	CEDOK	As per the requirement by DSC	Rs 5,00,000/-
8	Capacity Building Workshop	Yes	Agency	As per the requirement by DSC	Rs 8,00,000/-
Total Budget Required					**Rs 76,00,000/-**

Scanned with OKEN Scanner
