1. Background

About DSDP Toolkit

Ministry of Skill Development & Entrepreneurship (MSDE) developed tool kit to develop DSDP at district level. Karnataka Skill Development Corporation (KSDC) is focusing on Improved Quality and Market Relevance of Skill Development Programmes across the districts of the state. KSDC & GT, PMT is working on the District Skill Development Plan Toolkit. PMT collected data for District Skill Development Plan Toolkit.

Davanagere district has successfully submitted the DSDP in 2021-22 and 2022-23, and for this year district skill development office had uploaded the DSDP data into the SANKALP portal called DiSPAK.

The format is prepared on the basis of the District Skill Development Plans (DSDP). There are in total 22 sheets across the 4A's: As-Is Scenario, Aggregate Demand, Analyse the Gap, & Annual Work Plan.

In section I of as scenario, captured the details on District Overview, As Is Schemes, As-Is Trainer Data, As-Is ITI Trade Data, As-Is TC Information, As-Is Agri, Trainee Analysis and Cost of Training. It helped in developing District Skill Matrix. District skill matrix is the tool to measure the skill training capacity and process maturity of the district w.r.t Technical and Vocational Training (TVET). The district skill matrix has been designed to be in sync with the State Improvement Grant (SIG) Matrix and is structured around the three components listed below.

Component 1 – Institutional Strengthening

Component 2 – Enhancing Market Relevance and Quality

Component 3 – Inclusion and Access

In section II of aggregate demand, captured the details on Survey Employer, Skill Gap Study, Macro Analysis Based Demand, Demand GPDP & Govt Agenda, Self-Employment and Primary sector.

Further analysed the gaps in section III with the components like matrix analysis and gap analysis.

District Skill Committees (DSCs)

Since the District Skill Committees (DSCs) are mandated to do planning and skill training they need assistance and guidance in the form of a standard framework. For example, most of the districts across the country have DSCs, but are called with different names such as District Skill Development Committee, District Skill Development Authority etc. The members of these committees are District administration officials like District Employment officer, Fisheries officer, Agriculture officer, Panchayath Raj officer, Manager Lead bank, General Manager District Industries Centre etc. Members from industry and civil society organizations can also be co-opted under DSC.

District Skill committee is formed in Davangere district, and the committee is engaging in

i) Planning,
ii) Mobilisation and Counselling,
iii) Industry engagement & Entrepreneurship,
iv) Monitoring & Evaluation and MIS and
v) Other Support Functions. There are 16 members from different line departments are the members of the DSC and the committee chairperson is Deputy Commissioner of the district.

All the eight committees have been formed in Davanagere district with all the requisite members appointed as per the requirement of DSC guidelines. As per norms sub-committees have been formed to deliver specific set of activities and projects. Below is the list of sub committees under DSC.

1. Mobilization and Counselling
2. Training Quality
3. Industry Interface
4. Self-Employment
5. Gram Panchayat Coordination
6. Agriculture
7. Capacity Building
8. MIS, Monitoring & Convergence

Process adopted by Project Management Team

Development of District Skill Matrix and Aggregate Demand of DSDP toolkit has been initiated as a part of creation of District Skill Development Plan (DSDP) subject to availability of data. State PMT of SANKALPA has organized orientation workshops for DSDOs, on DSDP Toolkit.

Key Steps followed:

- Capacity building on DSDP tool kit for DSDOs, DSCs, district level PMT and TPs
- Identification of key employers in the district and local trade association/ chambers of commerce and industry (DIC)
- Seminar/Meeting with key employers
- Meeting with DICs and other line departments
- Collection of data
- Analysis and compilation

Objectives:

The objectives of adoption and usage of DSDP tool kit are as follows:

- To understand the Skill ecosystem of Davangere district
- To create Institutional Mechanism for designing, implementation, M&E of skill development programmes and assign roles and responsibilities to streamline the process for achievement of desirable outcomes.
- To create convergence of skill development programmes to avoid the duplicity in the implementation at the district level and better utilisation of the financial resources.
- To understand the type, nature and coverage of the skill development activities implemented by the other departments apart from State skill development mission (SSDM)
- To understand the capacity, competence and formal recognition of existing trainers in the district

- To understand the current capacity of training partners across the variety of sectors and job roles and examine the status of adoption of NSQF framework.
- To understand the current role and capacity of primary sector in the economy of the district
- To understand the coverage of marginalised communities in the demand sector and job roles, placement of the candidates, average renumeration, etc.
- To understand the progress of the skill development activities within the district against the three major components.

  (a) Institutional Strengthening at the District Levels for Planning, Delivering, and Monitoring of Skill Development Programmes.

  (b) Improved Quality and Market Relevance of Skill Development Programmes.

  (c) Improved Access and Completion of Skill Training for Women and Other Disadvantaged Groups.

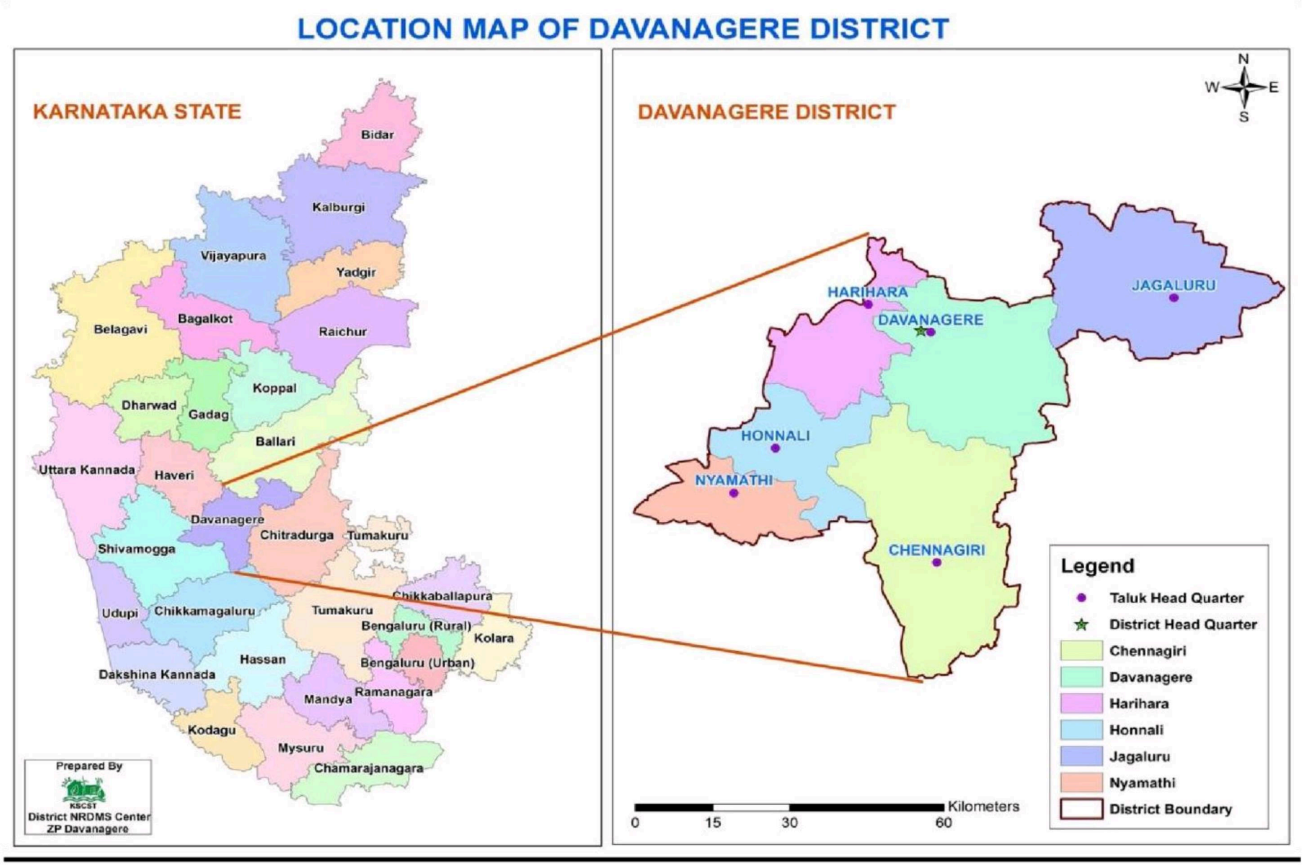

- To understand the demand and perspective of the industry in terms of expected recruitment, job roles, skill gap, quality of training, incentivisation of skill workforce etc.
- To understand the gap between supply side and demand side for design and improvement of current policies and procedures.
- To create a holistic annual action plan with the defined outcomes based on the gaps identified during the study.

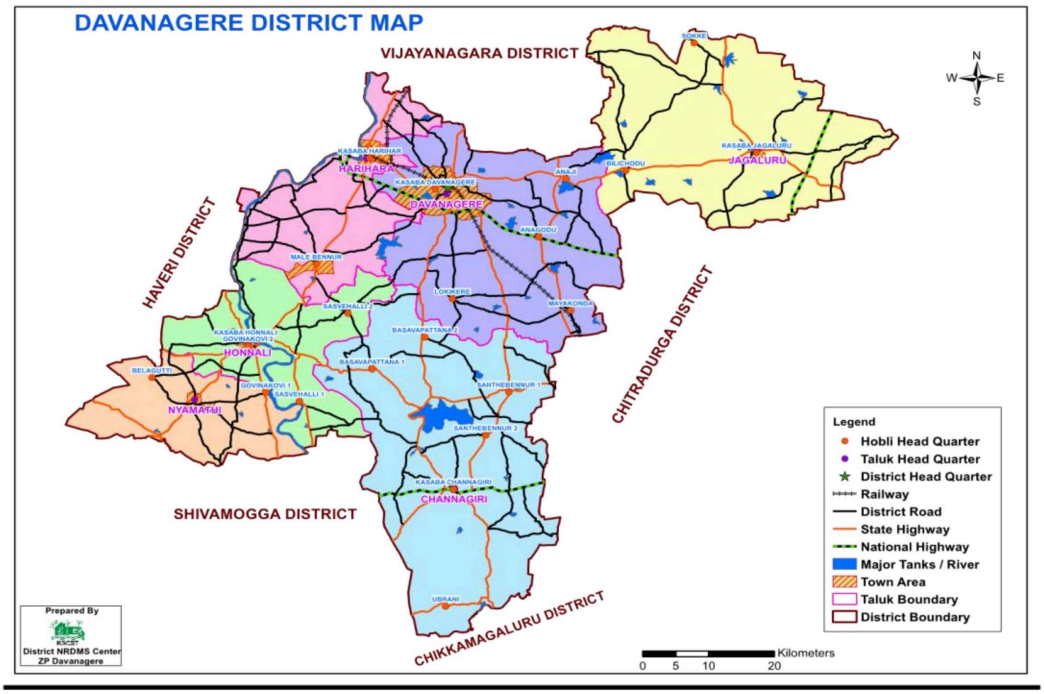

Objective of Annual Work Plan

The major objectives of the Annual Work Plan are:

- To provide convergence platform among skilling stakeholders to standardize skilling, promote maximum utilization of resource under common skilling norms in the state.
- To conduct workshops, capacity building and awareness programmes to promote the skill development programmes in the district.
- To Study the demand and supply in district and implementing and monitoring such job roles quality training
- To Develop robust skill plans, monitoring and evaluation enable MIS system covering all skilling activates align with requirement of the district.

2. Demographic Profile

1. District Profile

Davanagere district was formed on 15th August 1997 from the bifurcation of three districts. namely Chitradurga, Shimoga and Bellary. The name Davanagere is derived from.

"Davana Kere" meaning "City of lakes." Popularly once referred to as the Manchester of Karnataka due to its prowess in cotton production has now been transformed into a hub for

Educational Institutions and Agro-processing Industries. Davanagere district consists of

taluks namely Channagri, Davanagere, Harihar, Honnali, Jagalur and Nyamati after the recent changes. The district has a total land area of 4489 Sq.Km. It has a total population of 16.43 lakh.

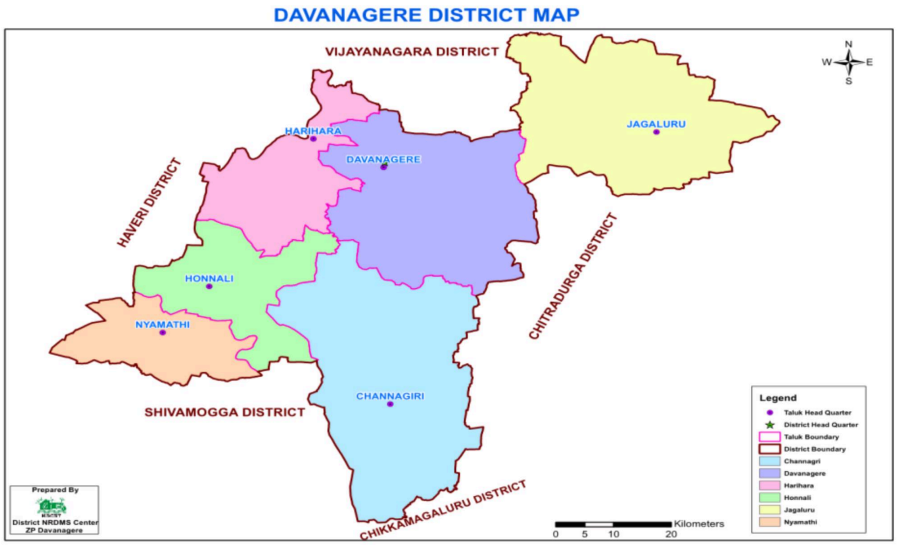

Figure 1: District Map

Table 1: Demographic details

Temperature	43° C {Max} 16° C {Min}	**District Headquarter**	Davanagere
Relative Humidity (%)	83 (Max) 43 (Min)	**Population**	1,643,494 (As per Census)

Rivers	Tungabhadra	**Sex Ratio**	972
Area	4489 Sq.Km.	**Literacy Rate**	75.14

Davanagere is located at a latitude of 14° 28' and longitude of 75° 59' located at an elevation of 602.5m (1997ft) above sea level and is the "Heart of Karnataka" surrounded by Chitradurga, Shivamogga (Shimoga), Ballari (Bellary), Haveri and Chikkamagaluru districts. Davanagere district has a population of 16.43 lakh persons ~3 per cent of the State population.

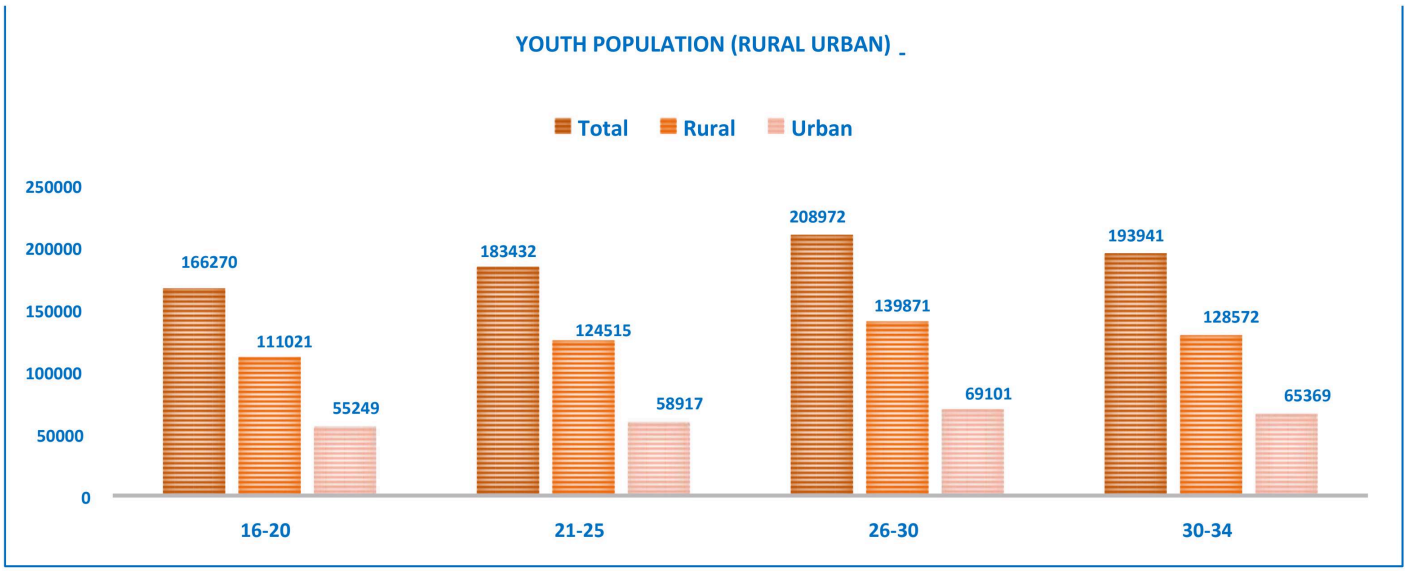

Figure 2: Geographic distribution of Youths.

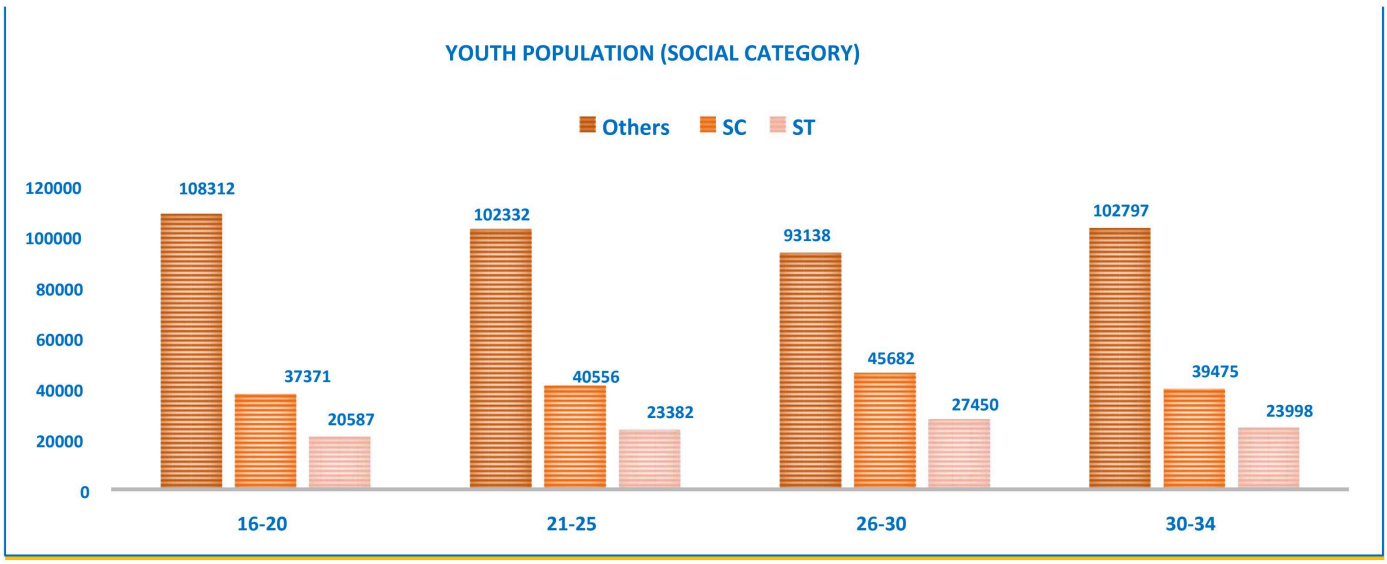

Figure 3: Social category-wise distribution

From the census 2011 report, we understand that the youth population in the district is **~40 per cent** of the total population. However, **~65 per cent** of the youth stay in the rural area, hence there needs to be a necessary focus on training and upskilling these youths in the district to reap its demographic dividends.

Table 3: Geography wise literacy rate

Taluks	Literacy rate								
	Rural			Urban			Total		
	Male	Female	Total	Male	Female	Total	Male	Female	Total
Channagiri	78.28	64.08	71.24	88.71	83.11	85.97	79.02	65.39	72.27
Davanagere	81.40	66.87	74.22	89.02	80.71	84.90	89.25	75.70	81.03
Nyamati	55.84	44.16	68.35	0	0	0	55.84	44.16	68.35
Harihar	79.25	64.36	71.91	89.31	80.44	84.94	82.83	70.08	76.55
Honnali	82.83	67.02	75.04	86.82	79.08	82.89	83.13	67.97	75.64
Jagaluru	79.85	62.22	71.13	92.93	82.49	87.74	81.17	64.29	72.81

The district's literacy rate is 75.14 %, which is seen a seven per cent rise from 67.43 % in 2001. However, the literacy rate is still slightly lower than the state average of 75.6 %. There is a gap of ~13.5 per cent between male and female literacy rates standing at 82.40% and 68.91% respectively. The gap in literacy rate in urban (84.02%) and rural (71.77%) stands at ~12.2 per cent.

3) District Support Infrastructure

Road Connectivity: Davanagere is well connected to major cities like Bengaluru, Mangaluru, Hubbali, Dharwad, Pune, Goa, Mysuru and Chennai through NH48.

Bus Connectivity: The district is well-connected to Bengaluru, Mangaluru, Hubli and cities in the state by Karnataka State Road Transport (KSRTC) buses. Privately operated buses offer overnight services to other cities within the state.

Railway Connectivity: The city railway station comes under the South Western Railway zone, constructed during the British era and has been renovated recently. The station is in the heart of the city. Regular services are available to connect to all parts of the state.

SWOT

Strategies and Priorities based on SWOT and other inputs.

Strengths		Weaknesses	
Sl. No	**Strengths of the District**	**Sl. No**	**Weaknesses of the District**
1	The Growing Retail Sector.	1	Low awareness among the youth about skill training
2	Large number of educational institutions providing quality education.	2	Slowdown in the textile due to paradigm shift from growing cotton.
3	Strategic location a portal to connect North & South Karnataka.	3	Lack of Cold storage facilities in the district
4	Good Healthcare infrastructure.	4	Power cuts impacts industry production
Opportunities		**Threats**	
Sl. No	**Opportunities for the District**	**Sl. No**	**Threats for the District**
1	Emphasis on value addition in agro based industry.	1	Youth attracted to Hyderabad / Bengaluru
2	Flourishing Tourism and Hospitality Industry	2	Lack of skilled manpower discourages new industry development
3	Emphasis on training women in agriculture and allied fields.	3	Lack of training centres across the talukas of the districts
4	Focusing on import of Areca based product to different countries.	4	Training centres focusing on only three-four sectors, hence no scope for newer skill trainings.

Proposed Annual Work Plan

a) Demand for Skilled Personal

Demand for skilled personal is a key function for DSCs. Some of the initiatives of the DSCs are Mapping demand requirements, Placement Drive, CXO Meets, GPDP demand, Apprenticeship.

Initiative	**Mapping Demand Requirements**
Key Activates	1) Conduct Surveys and Market Research: Regularly engage with local businesses, industries, and employers to understand current and future skill requirements. 2) Data Analysis: Utilize labour market information systems to analyse employment trends, job vacancies, and skill gaps. 3) Stakeholder Meetings: Organize quarterly meetings with industry representatives/ Chamber of Commerce, educational institutions, and training providers to discuss skill demand.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	1
Proposed Budget	6,00,000/-

Initiative	**Placement Drives**
Key Activates	1) Partner with Employers: Collaborate with local and regional employers to organize job fairs and campus recruitment drives. 2) Candidate Preparation: Provide pre-placement training, including resume writing, interview skills, and soft skills. 3) Follow-Up: Track the outcomes of placement drives and gather feedback from employers to improve future initiatives.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	DSC will be plan accordingly with the coordination of consultant.
Proposed Budget	5,00,000/-

b) Enrolment and Counselling of Trainees

Effective mobilisation for trades which are in demand is important. Also trade allocation as per aptitude of trainee would help in reducing dropouts. DSC can undertake initiatives for centralised mobilisation, block wise mobilisation Calanders, aptitude testing and counselling, aptitude testing in schools etc.

Initiative	**Centralized Mobilization**
Key Activates	1) Create a Centralized Database: Develop a centralized database of potential trainees, employers, and training programmes. 2) Launch Awareness Campaigns: Utilize media (print, digital, radio) to spread awareness about available training programs and their benefits. 3) Outreach Programmes: Conduct outreach programs in communities, educational institutions, and local organizations to attract potential trainees.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	DSC will be plan accordingly with the coordination of consultant.
Proposed Budget	4,50,000/-

c) Monitoring of Training Activities in the District

Initiative	**Monitoring Training Centres**
Key Activates	1) Schedule regular field visits to training sites. 2) Conduct initial, mid-term, and final evaluations of training sessions. 3) Collect data through surveys, interviews, and observation.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	DSC will be plan accordingly with the coordination of consultant.
Proposed Budget	1,00,000/-

d) Promoting Self Employment Activates in District:

Initiative	Entrepreneurship Development Program
Key Activates	The EDP program can be conducted with the help of CEDOK to reach out small Entrepreneur and local small business. Skill Development and Training 1) Workshops and Training Programs: Offer regular workshops on entrepreneurship, business management, digital marketing, and specific vocational skills. 2) Mentorship Programs: Establish mentorship networks connecting new entrepreneurs with experienced business owners. 3) Collaboration with Educational Institutions: Partner with local colleges and vocational training centres to provide entrepreneurial education and training.
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	As per the requirement by DSC
Proposed Budget	5,00,000/-

e) DSC Capacity Building Activities:

Initiative	Capacity Building Workshop
Key Activates	The DSC should conduct capacity building workshops to their committee members and sub-committee member to have complete knowledge about on-going trainings and scheme by the government. The workshop content as below given points: 1) Mobilization and Counselling 2) Training Quality 3) Industry Interface 4) Self-Employment 5) Gram Panchayat Coordination 6) Agriculture 7) Capacity Building 8) MIS, Monitoring & Convergence
Start Date	1st April 2024
End Date	31st March 2025
Resources Needed	As per the requirement by DSC
Proposed Budget	8,00,000/-

Proposed Annual Budget Plan

Sl No	Activity	Addition resources required (YES/NO)	Type of resources required (individual consultant or agency)	Number of resources required	Annual Tentative Budget Required (in INR)
1	Mapping Demand Requirements Conducting surveys, developing, and implementing training programs, organizing events, monitoring and evaluation and promotional activities. Awareness on the various Schemes Feedback Mechanism	Yes	Consultant	1	6,00,000/-
