1.Background

About DSDP Toolkit

Ministry of Skill Development & Entrepreneurship (MSDE) developed DSDP tool kit to develop DSDP at district level. Karnataka Skill Development Corporation (KSDC) is focusing on Improved Quality and Market Relevance of Skill Development Programmes across the districts of the state. KSDC & GT, PMT is working on the District Skill Development Plan Toolkit. PMT collected data for District Skill Development Plan Toolkit.

The format is prepared on the basis of the District Skill Development Plans (DSDP). There are in total As-Is Scenario, Aggregate Demand, Analyse the Gap, & Annual Work Plan.

In section I of as scenario, captured the details on District Overview, As Is Schemes, As-Is Trainer Data, As-Is ITI Trade Data, As-Is TC Information, As-Is Agri, Trainee Analysis and Cost of Training. It helped in developing District Skill Matrix. District skill matrix is the tool to measure the skill training capacity and process maturity of the district w.r.t Technical and Vocational Training (TVET). The district skill matrix has been designed to be in sync with the State Improvement Grant (SIG) Matrix and is structured around the three components listed below

Component 1 – Institutional Strengthening

Component 2 – Enhancing Market Relevance and Quality

Component 3 – Inclusion and Access

In section II of aggregate demand, captured the details on Survey Employer, Skill Gap Study, MacroAnalysisBasedDemand, Demand GPDP & Govt Agenda, Self-Employment and Primary sector

Further analysed the gaps in section III with the components like matrix analysis and gap analysis.

District Skill Committees (DSCs)

Since the District Skill Committees (DSCs) are mandated to do planning and skill training they need assistance and guidance in the form of a standard framework. For example, most of the districts across the country have DSCs, but are called with different names such as District Skill Development Committee, District Skill Development Authority etc. The members of these committees are District administration officials like District Employment officer, Fisheries officer, Agriculture officer, Panchayath Raj officer, Manager Lead bank, General Manager District Industries Centre etc. Members from industry and civil society organizations can also be co-opted under DSC.

District Skill committee is formed in Haveri district and the committee is engaging in (i) Planning, (ii) Mobilisation and Counselling, (iii)Industry engagement & Entrepreneurship, (iv) Monitoring & Evaluation and MIS and (v) other Support Functions. There are 16 members from different line departments are the members of the DSC and the committee chairperson is Deputy Commissioner of the district.

All the eight committees have been formed in Haveri districts with all the requisite members appointed as per the requirement of DSC Skill Book Sub-committees are formed which can take up specific set of activities and projects. Some of the sub committees that the DSC are given below.

- Mobilization and Counselling
- Training Quality
- Industry Interface
- Self-Employment
- Gram Panchayat Coordination
- Agriculture
- Capacity Building
- MIS, Monitoring & Convergence

2. Process adopted by Project Management Team

Three workshops were organized for capacity building of DSDOs on DSDOP Toolkit launched by MSDE, GoI for creation of District Skill Development Plans. The agenda of the workshop were on Usage of DSDP Toolkit, Section I – As-Is Assessment (District Skill Matrix), Section II – Aggregate Demand. As a part of the SANKALP scheme, Karnataka Skill Development Corporation (KSDC) is organized one day workshop for the capacity building of the district skill experts and other staffs for all the 8 sub committees. The workshop was aimed to build the capacity on Roles and Responsibility of the DSC members, Sub-committee members and key staffs to plan, execute projects and improve the quality of the training programs at district level. All the Sub-committees' members were attended the workshops from the district.

Orientation workshop on Section-2 Aggregate Demand was organized with the participation from DSDOs and DICs. It has been initiated w.e.f. 1st February 2021. Oriented on Aggregate Demand activity and on its expected outcome. PMT has been regularly coordinating and internal weekly review meeting conducted with PMT with respective DCs, DSDOs and other line department to collect the data. Preliminary analysis of labour market trends using administrative data available in District Office and external sources (NSSO, ASI, MISH, etc.) is completed.

Development of District Skill Matrix and Aggregate Demand of DSDP toolkit has been initiated in coordination with DSDOs as a part of creation of District Skill Development Plan (DSDP) subject to availability of data. PMT had organized orientation workshops for DSDOs by SANKALP team, MSDE, GoI on DSDP Toolkit. PMT has organized orientation workshop for DSDOs on Section1: District Skill Matrix. Reviewed and suggested corrective measures on district skill matrix submitted by DSDOs.

3. Key Steps followed:

- Capacity building on DSDP tool kit for DSDOs, DSCs, district level PMT and TPs
- Identification of key employers in the district and local trade association/ chambers of commerce and industry (DIC)
- Seminar/Meeting with key employers
- Meeting with DICs and other line departments
- Collection of data
- Analysis and compilation

4. Objectives:

The objectives of adoption and usage of DSDP tool kit are as follows

- To understand the Skill ecosystem of Haveri district
- To create Institutional Mechanism for designing, implementation, M&E of skill development programmes and assign roles and responsibilities to streamline the process for achievement of desirable outcomes.
- To create convergence of skill development programmes to avoid the duplicity in the implementation at the district level and better utilisation of the financial resources
- To understand the type, nature and coverage of the skill development activities implemented by the other departments apart from State skill development mission (SSDM)
- To understand the capacity, competence and formal recognition of existing trainers in the district
- To understand the current capacity of training partners across the variety of sectors and job roles and examine the status of adoption of NSQF framework
- To understand the current role and capacity of primary sector in the economy of the district
- To understand the coverage of marginalised communities in the demand sector and job roles, placement of the candidates, average remuneration, etc.
- To understand the progress of the skill development activities within the district against the three major components

(a) Institutional Strengthening at the District Levels for Planning, Delivering, and Monitoring of Skill Development Programmes
(b) Improved Quality and Market Relevance of Skill Development Programs
(c) Improved Access and Completion of Skill Training for Women and Other Disadvantaged Groups.

- To understand the demand and perspective of the industry in terms of expected recruitment, job roles, skill gap, quality of training, incentivisation of skill workforce etc.
- To understand the gap between supply side and demand side for design and improvement of current policies and procedures.
- To create a holistic annual action plan with the defined outcomes based on the gaps identified during the study
