Background

About DSDP Toolkit

Ministry of Skill Development & Entrepreneurship (MSDE) developed District Skill Development Plan (DSDP) tool kit to develop DSDP at district level. Karnataka Skill Development Corporation (KSDC) is focusing on Improved Quality and Market Relevance of Skill Development Programmes across the districts of the state. KSDC, Project Management Team (PMT) is working on the District Skill Development Plan Toolkit. PMT collected data for District Skill Development Plan Toolkit.
The format is prepared on the basis of the DSDP. There are in total 22 sheets across the 4A's: As-Is Scenario, Aggregate Demand, Analyse the Gap, & Annual Work Plan.

In section I of as scenario, captured the details on District Overview, As Is Schemes, As-Is Trainer Data, As-Is ITI Trade Data, As-Is TC Information, As-Is Agri, Trainee Analysis, and Cost of Training. It helped in developing District Skill Matrix. District skill matrix is the tool to measure the skill training capacity and process maturity of the district w.r.t Technical and Vocational Training (TVET). The district skill matrix has been designed to be in sync with the State Improvement Grant (SIG) Matrix and is structured around the three components listed below

Component 1 – Institutional Strengthening

Component 2 – Enhancing Market Relevance and Quality

Component 3 – Inclusion and Access

In section II of aggregate demand, captured the details on Survey Employer, Skill Gap Study, Macro Analysis Based Demand, Demand GPDP &Govt Agenda, Self-Employment and Primary sector

Further analysed the gaps in section III with the components like matrix analysis and gap analysis.

District Skill Committees (DSCs)

Since the District Skill Committees (DSCs) are mandated to do planning and skill training they need assistance and guidance in the form of a standard framework. For example, most of the districts across the country have DSCs, but are called with different names such as District Skill Development Committee, District Skill Development Authority etc. The members of these committees are District administration officials like District Employment officer, Fisheries officer, Agriculture officer, Panchayati Raj officer, Manager Lead bank, General Manager District Industries Centre etc. Members from industry and civil society organizations can also be co-opted under DSC.

District Skill committee is formed in Kalaburagi district and the committee is engaging in (i) Planning, (ii) Mobilisation and Counselling, (iii)Industry engagement & Entrepreneurship, (iv) Monitoring & Evaluation and MIS and (v) other Support Functions. There are 16 members from different line departments are the members of the DSC and the committee chairperson is Deputy Commissioner of the district.

All the four committees have been formed in Kalaburagi district with all the requisite members appointed as per the requirement of DSC Skill Book Sub-committees are formed which can take up specific set of activities and projects. Sub committees that the DSC are given below.

1. MOBILIZATION, COUNSELLING AND CONVERGENCE

Team Lead	Project Director, District Urban Development Cell
Members	Assistant Director, Department of Industrial Training and Employment
	Deputy Director, Department of Women and Child Development
	Project Director, District Rural Development Agency
	Mission Manager. DAY NULM

2. MIS, TRAINING QUALITY AND MONITORING

Team Lead	District Skill Development Officer, District skill Mission
Members	Deputy Director, Department of Pre-University Education
	Deputy Labor Commissioner, Department of Labor
	Principal, GTTC Kalaburagi
	Joint Director, CEDOK
	Training provider, CMKKY Centre Kalaburagi

3. SELF-EMPLOYMENT AND INTERFACE

Team Lead	Joint Director, Department of Industries and Commerce
Members	Manager, District Lead Bank
	Deputy Director, Department of Handlooms and Textiles
	Assistant Director, Department of MSME
	Director, RSETI Kalaburagi
	President, HKCCI

4. AGRICULTURE AND GRAM PANCHAYAT CO-ORDINATION

Team Lead	Joint Director, Department of Agriculture
Members	Deputy Director, Department of Horticulture
	Deputy Director, Nehru Yuva Kendra
	Head & Senior Scientist, KVK Kalaburagi

Key Steps followed:

- Capacity building on DSDP tool kit for DSDOs, DSCs, district level PMT and TPs
- Identification of key employers in the district and local trade association/ chambers of commerce and industry (DIC)
- Seminar/Meeting with key employers
- Meeting with DICs and other line departments
- Collection of data
- Analysis and compilation

Objectives of DSDP:

The objectives of adoption and usage of DSDP tool kit are as follows

- To understand the Skill ecosystem of Kalaburagi district
- To create Institutional Mechanism for designing, implementation, M&E of skill development programmes and assign roles and responsibilities to streamline the process for achievement of desirable outcomes.
- To create convergence of skill development programmes to avoid the duplicity in the implementation at the district level and better utilisation of the financial resources
- To understand the type, nature and coverage of the skill development activities implemented by the other departments apart from State skill development mission (SSDM)
- To understand the capacity, competence and formal recognition of existing trainers in the district
- To understand the current capacity of training partners across the variety of sectors and job roles and examine the status of adoption of NSQF framework
- To understand the current role and capacity of primary sector in the economy of the district
- To understand the coverage of marginalised communities in the demand sector and job roles, placement of the candidates, average remuneration, etc.
- To understand the progress of the skill development activities within the district against the three major components

  (a) Institutional Strengthening at the District Levels for Planning, Delivering, and Monitoring of Skill Development Programmes

  (b) Improved Quality and Market Relevance of Skill Development Programs

  (c) Improved Access and Completion of Skill Training for Women and Other Disadvantaged Groups.

- To understand the demand and perspective of the industry in terms of expected recruitment, job roles, skill gap, quality of training, in centivisation of skill workforce etc.
- To understand the gap between supply side and demand side for design and improvement of current policies and procedures.
- To create a holistic annual action plan with the defined outcomes based on the gaps identified during the study

The major objectives of the Annual Work Plan are

- To provide convergence platform among skilling stakeholders to standardize skilling, promote maximum utilization of resource under common skilling norms in the state.
- To conduct workshops, capacity building and awareness programmes to promote the skill development programmes in the district.
- To Study the demand and supply in district and implementing and monitoring quality training in such job roles
- Develop robust skill plans, monitoring and evaluation enable MIS system covering all skilling activates align with requirement of the district.

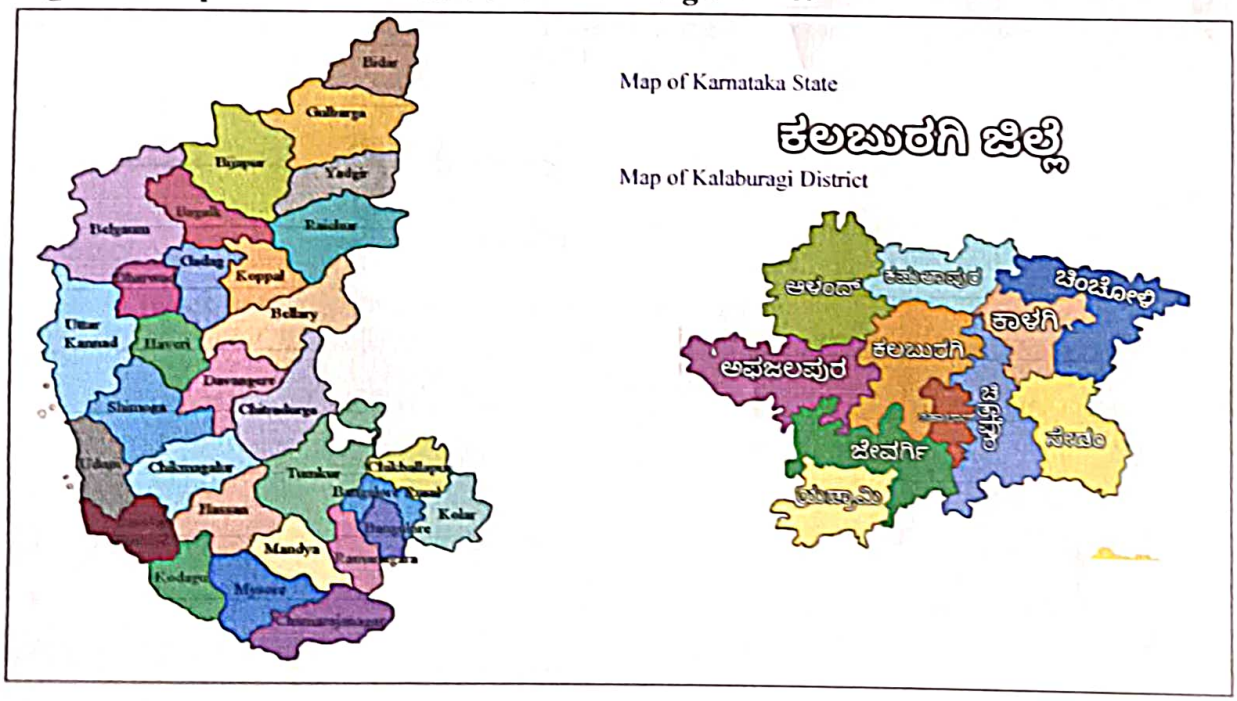

District Profile

District Overview

Kalaburagi district is located to northeast and is situated on the eastern side of Karnataka state. The district is n the north latitudinal parallels of 16 degree 41 minutes and 17 degree 46 minutes and east longitudinal parallels of 76 degree 3 minutes and 77 degree 41 minutes. The geographical area is 10,954 km².

This district on the north-west, for a short stretch, the district shares its boundaries with Maharashtra and on the east it is bounded by Andhra Pradesh. On the other three sides, the district is surrounded by Yadgir on the south, Bidar on the north and Bijapur on the west.

Figure 1: Map of Karnataka state and Kalaburagi district

Demographic Profile

According to the 2011 census Kalaburagi district has a population of 2,566,326. The district has a population density of 233 inhabitants per square kilometre (780/sq mi). Its population growth rate over the decade 2001-2011 was 24.92%.Kalaburgi has a sex ratio of 962 females for every 1000 males, and a literacy rate of 64.85 %.

Table 3: Demographic details of Kalaburagi district

Potential industries

Agriculture & Food Processing:

- Due to soil and climate of this district, good quality tur is grown and around 500 dal mills are established in the district
- Kalaburagi is known as the tur bowl of the State contributing 40% of the State's production
- Agriculture and Horticulture produces can be properly used for conversion into Value Added Products, by adopting new technologies to standardize production
- There is a great demand for milk and milk products. KMF (Kalaburagi-Bidar district) is not in a position to meet the present milk demand. Milk is being supplied by the adjacent states of Andhra and Maharashtra
- Immense scope for bio-fuel plantation and afforestation

Textiles:

- District comprises of Textile Handloom cluster providing a conducive ecosystem for investors
- Textile Park in the district providing immediate investment opportunity of INR 70 Crore

Cement:

- Kalaburagi district has abundant lime stone deposits; Sedam, Chittapur taluks have been declared as "CEMENT ZONE" for development of Cement and Cement based sector, District has witnessed huge investment in this sector

Others:

- Energy — Power Company of Karnataka Ltd (PCKL) has proposed a 1320 MW Thermal power project in the district.
- I - Information Technology Park has been established by KEONICS, Bengaluru which is a Government of Karnataka enterprise, which facilitates required infrastructure for development of Information Technology sector in this region

SWOT Analysis

Table 52: Details of SWOT Analysis of the district

Strengths		Weaknesses	
Sl. No	**Top 5 strengths of the District**	**Sl. No**	**Top 5 Weaknesses of the District**
1	Rich in Agriculture Products Like Gram,Tur and Sugarcane	1	Migration of labours prevails in the region ,leaving manpower and skill deficit within district
2	Good infrastructure connectivity. A new airport is constructed	2	Backwardness of most talukas in the district
3	Availability of Good education universities like Gulbarga University, Central University, Skill Training Institutes.	3	High dropout rates from secondary level of education
4	Good infrastructure connectivity. A new airport is constructed	4	Lack of Industries in the district.
Opportunities		**Threats**	
Sl. No	**Top 5 opportunities for the District**	**Sl. No**	**Top 5 threats for the District**
1	Food Processing Industries	1	Shortage of skilled manpower in the district
2	Dal based Industries	2	Lack of industries and industrial diversification in industries
3	High Demand in Healthcare and Service sector	3	Automation of cement industries resulting in decrease of labour requirements
4	Apparel based industries	4	Lack of Industry Connect to Training Centres
5	High drop outs means higher opportunity for skill development		

Source: DSDP tool kit Kalaburagi district

Strategies and Priorities based on SWOT and other inputs

- Long term Technical Training Institutions can be explored to be part of Short-Term Training Centres. Many of the private ITI's, Polytechnics, Degree colleges can be encouraged to take up Employment oriented short-term programs
- District having a well irrigated land has the yield less than State and national average youth need to be motivated towards more of Agricultural related skills like Dairy farming, Organic Farming, etc related skills.
- With the Tourist places being abundant in the district more youth to be trained in Tourism and Hospitality sector as there are no related skill training centres at present

- Only 4 Blocks/Taluks have small number of Short-Term Training Centres for the youth population in the district. More Training Centres to be opened based on the demand of requirements of the local and state level employment. As a start at least three training centres in each of the blocks have to be started in priority sectors like Banking, retail, logistics and Hospitality
- Training of trainers in all the sectors and trades have to be organised and qualified Trainer for Skill Development Institutions should be mandatory
- Counselling and Mobilisation has to be strengthened to include more of SC, ST, Women and minorities population of the district
- Many of the native skills like handloom are on the verge of extinct and should be encourage by opening up more and more Native skills related training centre near the vicinity of the native skill industry
- Reach out campaign should be arranged to industry and expose them to the process of Skill Training to appreciate the competency gained by the skilled manpower to make them understand that the skilled manpower should be paid higher wages than the minimum wage.
- Increase the number of the Primary Sector Training institutions to maximise the yield of the agriculture produce. Post Harvesting and Food Preservation is also other skills which the youth have to be trained.
- Well trained youth in different sectors like Hospitality, Retail, Banking and automotive sector helps in making the district grow as a commercial hub as its in the Bengaluru – Mysore highway
- Trained manpower tends to migrate either to Mysore or Bengaluru or elsewhere as the employment opportunities are less. So, to overcome this and more Primary sector training institutions could be setup with technology orientation to attract the youth back to their own irrigated land.

Annual Work Plan

Categories of work plan:

- **Demand for Skilled Personnel in the District**
- **Enrolment & Counselling of Trainees in the District**
- **Monitoring of Training Activities in the District**
- **Promoting Self Employment Activities in the District**
- **DSC Capacity Building Activities in the District**

Key Activities

I. Conduct a District-Wide Skill Demand Assessment

- **Objective:**
  Identify the current and future demand for skilled personnel in various sectors within the district.

- **Activities:**
  - Survey local businesses and industries.
  - Analyze employment trends and labour market data.
  - Conduct focus group discussions with industry leaders and stakeholders.

- **Timeline:** Q2, 2024-25

II. Develop Sector-Specific Training Programs

- **Objective:**
  Design training programs tailored to the needs of key sectors identified in the demand assessment.

- **Activities:**
  - Collaborate with industry experts to develop curriculum
  - Identify and procure necessary training materials and equipment.
  - Recruit qualified trainers and instructors.

- **Timeline:** Q2, 2024-25

III. Establish Partnerships with Local Industries

- **Objective:**
  Forge strong partnerships with local businesses and industries to ensure training programs align with industry needs.

- **Activities:**
  - Host meetings and networking events with industry representatives.
  - Draft and sign Memorandums of Understanding (MoUs) with key partners.
- Establish an advisory board comprising industry leaders.
  Timeline: Q1-Q4, 2024-25

IV. Implement Training Programs
