Background

About DSDP Toolkit

Ministry of Skill Development & Entrepreneurship (MSDE) developed District Skill Development Plan (DSDP) tool kit to develop DSDP at district level. Karnataka Skill Development Corporation (KSDC) is focusing on Improved Quality and Market Relevance of Skill Development Programmes across the districts of the state. KSDC, Project Management Team (PMT) is working on the District Skill Development Plan Toolkit. PMT collected data for District Skill Development Plan Toolkit.

The format is prepared on the basis of the DSDP. There are in total 22 sheets across the 4A's: As-Is Scenario, Aggregate Demand, Analyse the Gap, & Annual Work Plan.

In section I of as scenario, captured the details on District Overview, As Is Schemes, As-Is Trainer Data, As-Is ITI Trade Data, As-Is TC Information, As-Is Agri, Trainee Analysis, Cost of Training. It helped in developing District Skill Matrix. District skill matrix is the tool to measure the skill training capacity and process maturity of the district w.r.t Technical and Vocational Training (TVET). The district skill matrix has been designed to be in sync with the State Improvement Grant (SIG) Matrix and is structured around the three components listed below

Component 1 – Institutional Strengthening

Component 2 – Enhancing Market Relevance and Quality

Component 3 – Inclusion and Access

In section II of aggregate demand, captured the details on Survey Employer, Skill Gap Study, Macro Analysis Based Demand, Demand GPDP & Govt Agenda, Self-Employment and Primary sector

Further analysed the gaps in section III with the components like matrix analysis and gap analysis.

District Skill Committees (DSCs)

Since the District Skill Committees (DSCs) are mandated to do planning and skill training they need assistance and guidance in the form of a standard framework. For example, most of the districts across the country have DSCs, but are called with different names such as District Skill Development Committee, District Skill Development Authority etc. The members of these committees are District administration officials like District Employment officer, Fisheries officer, Agriculture officer, Panchayati Raj officer, Manager Lead bank, General Manager District Industries Centre etc. Members from industry and civil society organizations can also be co-opted under DSC.

District Skill committee is formed in Koppal district and the committee is engaging in (i) Planning, (ii) Mobilisation and Counselling, (iii)Industry engagement & Entrepreneurship, (iv) Monitoring & Evaluation and MIS and (v) other Support Functions. There are 16 members from different line departments are the members of the DSC and the committee chairperson is Deputy Commissioner of the district.

All the eight committees have been formed in Koppal district with all the requisite members appointed as per the requirement of DSC Skill Book Sub-committees are formed which can take up specific set of activities and projects. Some of the sub committees that the DSC are given below.

- Mobilization and Counselling
- Training Quality
- Industry Interface
- Self-Employment
- Gram Panchayat Coordination
- Agriculture
- Capacity Building
- MIS, Monitoring & Convergence

Scanned with OKEN Scanner

Process adopted by Project Management Team

Three workshops were organized for capacity building of DSDOs on DSDOP Toolkit launched by MSDE, GoI for creation of District Skill Development Plans. The agenda of the workshop were on Usage of DSDP Toolkit, Section I – As-Is Assessment (District Skill Matrix), Section II – Aggregate Demand.

As a part of the SANKALP scheme, Karnataka Skill Development Corporation (KSDC) is organized one day workshop for the capacity building of the district skill experts and other staffs for all the 8 sub committees. The workshop was aimed to build the capacity on Roles and Responsibility of the DSC members, Sub-committee members and key staffs to plan, execute projects and improve the quality of the training programs at district level. All the Sub-committees' members were attended the workshops from the district.

Orientation workshop on Section-2 Aggregate Demand was organized with the participation from DSDOs and DICs. It has been initiated w.e.f. 1st February 2021. Oriented on Aggregate Demand activity and on its expected outcome. PMT has been regularly coordinating and internal weekly review meeting conducted with PMT with respective DCs, DSDOs and other line department to collect the data. Preliminary analysis of labour market trends using administrative data available in District Office and external sources (NSSO, ASI, MISH, etc.) is completed.

Development of District Skill Matrix and Aggregate Demand of DSDP toolkit has been initiated in coordination with DSDOs as a part of creation of District Skill Development Plan (DSDP) subject to availability of data. PMT had organized orientation workshops for DSDOs by SANKALP team, MSDE, GoI on DSDP Toolkit. PMT has organized orientation workshop for DSDOs on Section1: District Skill Matrix. Reviewed and suggested corrective measures on district skill matrix submitted by DSDOs.

Key Steps followed:

- Capacity building on DSDP tool kit for DSDOs, DSCs, district level PMT and TPs
- Identification of key employers in the district and local trade association/ chambers of commerce and industry (DIC)
- Seminar/Meeting with key employers
- Meeting with DICs and other line departments
- Collection of data
- Analysis and compilation

Capacity building on DSDP tool kit for DSDOs, DSCs, district level PMT and TPs

Intervention 1

Three workshops were organized for capacity building of DSDOs on DSDOP Toolkit launched by MSDE, GoI for creation of District Skill Development Plans. The summary of the workshop is mentioned below: -

Table 1: Details of workshops

S. No.	Organizer	Date of the Workshop	Participants	Agenda
1	SANKALP Team, MSDE, GoI	6th November 2020	ED, KSDC, DSDOs and PMT, GTBLLP	Usage of DSDP Toolkit
2	PMT, GTBLLP	12-13 November 2020	MD, KSDC, ED, KSDC DSDOs and District Counsellors	Section I – As-Is Assessment (District Skill Matrix)
3	PMT, GTBLLP	21st February, 2021	ED, KSDC, Joint Director, DIC, DSDO and District Counsellor	Section II – Aggregate Demand

Scanned with OKEN Scanner

Intervention 2

Team has also planned a capacity building workshop from 15th July 2021 – 5th August 2021 on roles & responsibilities of sub-committees of District skill committee for all the 30 districts.

As a part of the SANKALP scheme, Karnataka Skill Development Corporation (KSDC) is organizing one day workshop for the capacity building of the district skill experts and other staffs. The workshop will be aimed to build the capacity on Roles and Responsibility of the DSC members, Sub-committee members and key staffs to plan, execute projects and improve the quality of the training programs at district level. One day Virtual workshop will be conducted for the following committee members Mobilization and Counselling, Training Quality, Industry Interface, Self-Employment, Gram Panchayat Coordination, Agriculture, Capacity Building, MIS, and Monitoring & Convergence.

Table 2: Details of Workshop schedule plan

Sl. No	Name of the Sub-Committee	Date	Time
1	Mobilization and Counseling	15th July 2021	11:30 AM – 01:30 PM
2	Training Quality	20th July 2021	11:30 AM – 01:30 PM
3	Industry Interface	22nd July 2021	11:30 AM – 01:30 PM
4	Self-Employment	27th July 2021	11:30 AM – 01:30 PM
5	Gram Panchayat Coordination	29th July 2021	11:30 AM – 01:30 PM
6	Agriculture	3rd August 2021	11:30 AM – 01:30 PM
7	Capacity Building	5th August 2021	11:30 AM – 01:30 PM
8	MIS, Monitoring & Convergence	10thAugust 2021	11:30 AM – 01:30 PM

Participants: District Skill Development Officer (DSDO), ASDOs, DSC Sub-Committee members and other key staffs from each office.

Objectives:

The objectives of adoption and usage of DSDP tool kit are as follows.

- To understand the Skill ecosystem of Koppal district.
- To create Institutional Mechanism for designing, implementation, M&E of skill development programmes and assign roles and responsibilities to streamline the process for achievement of desirable outcomes.
- To create convergence of skill development programmes to avoid the duplicity in the implementation at the district level and better utilisation of the financial resources.
- To understand the type, nature and coverage of the skill development activities implemented by the other departments apart from State skill development mission (SSDM).
- To understand the capacity, competence and formal recognition of existing trainers in the district.
- To understand the current capacity of training partners across the variety of sectors and job roles and examine the status of adoption of NSQF framework.
- To understand the current role and capacity of primary sector in the economy of the district.
- To understand the coverage of marginalised communities in the demand sector and job roles, placement of the candidates, average remuneration, etc.
- To understand the progress of the skill development activities within the district against the three major components.

  (a) Institutional Strengthening at the District Levels for Planning, Delivering, and Monitoring of Skill Development Programmes.

  (b) Improved Quality and Market Relevance of Skill Development Programs.

  (c) Improved Access and Completion of Skill Training for Women and Other Disadvantaged Groups.

- To understand the demand and perspective of the industry in terms of expected recruitment, job roles, skill gap, quality of training, incentivisation of skill workforce etc.
- To understand the gap between supply side and demand side for design and improvement of current policies and procedures.

Scanned with OKEN Scanner

- To create a holistic annual action plan with the defined outcomes based on the gaps identified during the study.

District Profile

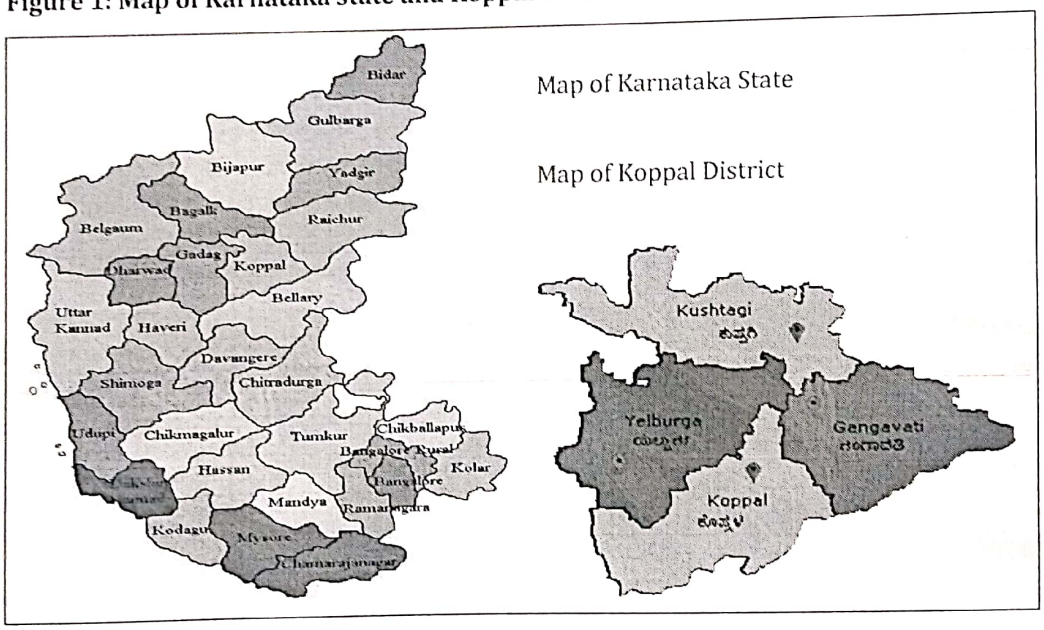

District Overview:

Koppal a newborn district of Karnataka state, carved out of Raichur District. It is situated in the northern interior of Karnataka has an area of 8,458 sq km. It is bounded by the districts of Raichur, Bagalkot, Gadag, and Bellary. Koppal district is the best seed production center in the state. Several national seed companies have seed production centres for flowers, fruits, vegetables and pulses here. Anegundi, Kanakagiri, Navabrindavana, and Kuknur are the important places to visit.

In the past Koppal was referred to as 'Kopana Nagara'. Hampi, a World heritage center, covers some areas of Koppal District. It is situated approximately 38 km away. Anegundi, is also a famous travel destination.

It consists of four talukas Koppal, Gangavathi, Kushtagi,Yelburga and Newly formed three talukas (19.01.2018) Kanakagiri, Karatagi and (18.01.2018) Kukanoor. Koppal district is surrounded by Raichur district in the east, Gadag district in the West, Bagalkot district in the north, Bellary district in the south.

Source: DSDP tool kit Koppal district

Potential youth population in the district is 6.09 lakhs which is about 43% of the total population, out of which 83.5% of the youth population resides in the rural area. This emphasizes that the rural youth have to be skilled related to the requirement of the rural population

Table7: Share of SC and ST rural and urban population in the District

Youth Population(SC/ST)	Total
SC share of Youth Population	18.6%
ST share of Youth Population	11.8%

Source: DSDP tool kit Koppal district

Scanned with OKEN Scanner

There is significant population in the SC and ST whose skill training also plays an important role in the overall development of the communities.

Agricultural Profile

The major occupation of this district is agriculture and 65% of its total labour force is dependent on agriculture for its livelihood. The important crops grown are wheat, jowar, bajra and maize. The main source of irrigation is TungabhadraDam.

Figure 3: Land utilisation of Koppal district

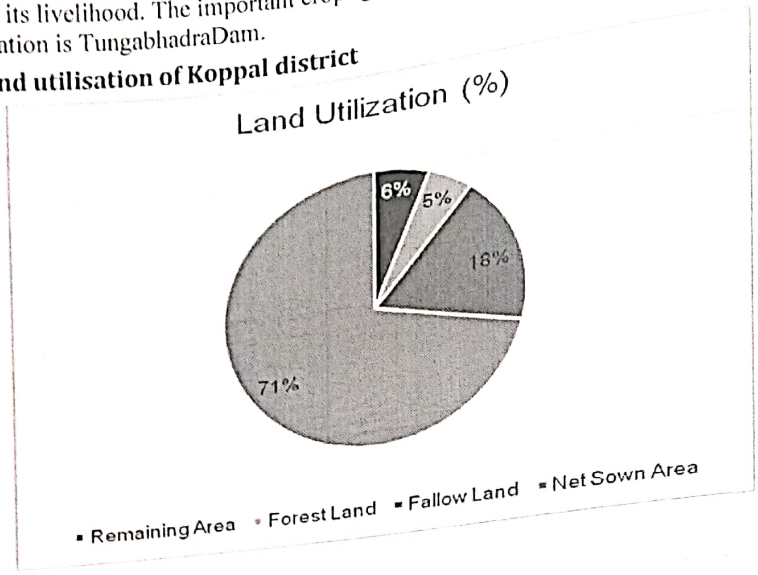

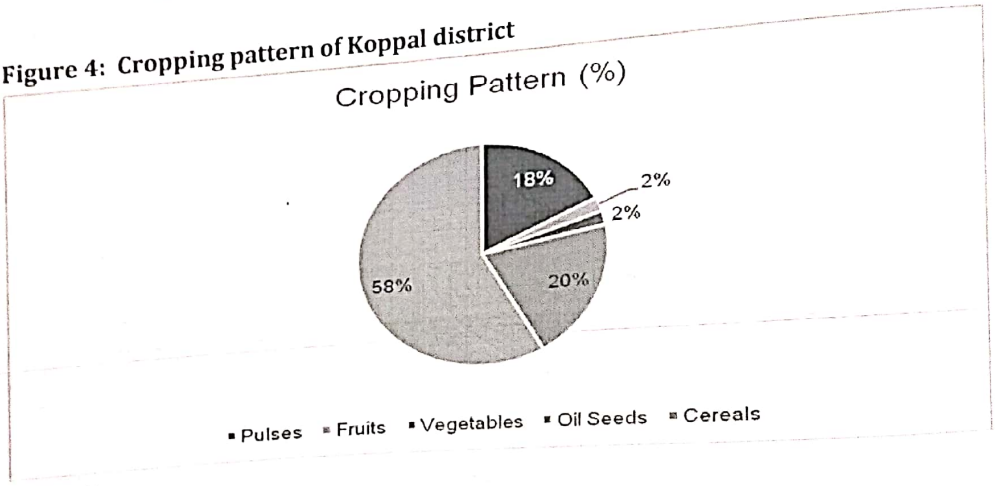

Figure 4: Cropping pattern of Koppal district

Major Crops

- Cereals: Paddy, Jowar, Bajra, Maize
- Pulses: Green Gram, Black gram, Tur Dal
- Oil Seeds: Sunflower, Groundnut
- Commercial Crops: Sugarcane, Groundnut
- Plantation: Beetle vine, Coconut oil, Palm oil

Key Enablers

- The district has varied agro climatic regions suitable to grow many horticultural crops.
- The district has got go-down facilities like Rice mills and Oil mills.
- Availability of small scale food processing industries.

Scanned with OKEN Scanner

Education Profile

Based on the data available for the school enrolments, there is minimal percentage of dropouts in most classes. However there is a need to address students of class 11 and 12 as they are entering the employment sphere of the population and this is the population to be targeted for the skill training. There is a need to address their livelihoods need through mobilization and counselling.

- **One District One Product**

About ODOP:- Sence 2022-23 Pears are fruits produced and consumed around the world, growing on a tree and harvested in the Northern Hemisphere in late summer into October. The pear tree and shrub are a species of genus Pyrus/pairs in the Family Rosaceae,bearing the pomaceous fruit of the same name. Several species of pears are valued for their edible fruit and juices, while others are cultivated as trees.The tree is medium-sized and native to coastal and mildly temperate regions of Europe, North Africa, and Asia. Pear wood is one of the preferred materials in the manufacture of high-quality woodwind instruments and furniture.About 3000 known varieties of pears are grown worldwide, which vary in both shape and taste. The fruit is consumed fresh, canned, as juice, or dried.

No ODOP Conducted during in this Financial Year.

* 300 families are Involved in ODOP, out of 300 Family's 64 Families are applied for loan. not sanctioned.

- **Naandi Foundation**

As a part of an understanding between Mahindra and Mahindra group and the state skill development mission, 31,000 girl students in their final years all across the state will be provided with skill training in

1) Python Skilling
2) Marketing (Digital marketing)
3) Soft skills
4) Agriculture related

As an ongoing effort in the district, 100 students have been trained in soft skills and colleges and universities have pursued completion of the remaining skill training in the district. No Training (Naandi Foundation) Conducted during in this Financial Year.

Job Fair details

- **Job Fair**

The district skill mission has conducted three job fairs in the district during the month of August and march in a bid to bridge the gap between demand and supply of talent in the district.

Table 18 : Job Fair Details

Details	12-08-2021	18-08-2021	21/03/2022	13/12/2022	09/03/2023
Number of companies	07	15	51	29	25
Total Candidate	448	273	2360	2249	968
Selected	86	78	695	192	128

- **Kinnal Toys**

Kinnal Craft is a traditional wooden craft local to the town of Kinnal, in Koppal District, North Karnataka, India The town is famous for Kinhal toys and religious idols. Recently this Craft has been granted Geographical Indication and its GI Application number is 213*.

Kinnal was once a flourishing centre for crafts, the most well-known being carvings in wood. The famous mural paintings in the Pampapateshwara Temple, and the intricate work on the wooden chariot at Hampi, are said to be the work of the ancestors of the Kinnal artisans of today.[citation needed] Old paper tracings found in the ancestral house of one of the artisans further substantiates this belief.

In 2007, students from the University of Glasgow and Glasgow School of Art in collaboration with the Crafts Council of Karnataka, facilitated a project with local students and craftsmen, in an attempt to revive the Kinnal craft.

Demand side Profile

Potential Industries

Agriculture and Food Processing:

Agriculture Processing: The main agricultural products are jowar, paddy, bajra and maize. Groundnuts and sunflower are also grown in oil category. Fruits like pomegranate, mango, banana, grapes, papaya and watermelon add to the agriculture products. Pulses are also grown in this region. Customized special project can be focussed to attract farmers. Collaboration with private instituions, NGOs and other establishments to skill up can be considered. Trainings like scientific production methods, water conservation, soil conservation, land levelling, green house vegetable production, pest control and soil testing can be taken up.

Food Processing: Koppal is good in agriculture and hence this bring positive growth to food processing industry in Koppal. Thus the availability of human resource will create opportunities for training of food processing technicians, handling machines, sales and marketing and also self employment.

- Huge scope for food processing due to the availability of skilled labor and raw material resources.
- Rice Technology Park planned to support the growth of food processing units in Koppal.
- Scope for agro processing and value addition units especially in Rice, Groundnut and Sugarcane.
- Tissue culture in Banana becoming popular among the farmers as it yields better than the local varieties.
- Establishment of soil and water analysis laboratory and leaf analysis unit I the district will help the farmers to select suitable crops for cultivation and to identify the nutritional disorders of the crop.

Power Generation:

Scanned with OKEN Scanner

- Mini Hydel power unit at Shivapura, Koppal taluk.
- Many wind power generation units in Koppal, yelaburaga, Kukanoor, Kushtagi taluks.
- Three Biomass power units in Gangavathi taluk.
- Solar Power Plants in Gangavati, yelaburaga, Kukanoor and Koppal taluks.

Tourism:

The district is very closed to Hampi - World Heritage Center. Also places like Anegundi - believed as birth place of Lord Hanuman, Pampa Sarovara Koppal fort attract many tourists to the district and also Ashok shilashasana. Tourist guides and trained drivers is in demand.

- Pampa sarovar is one of the famous five sarovars in India.
- Koppal fort is a historic spot.
- Maadanoor, Bahadur Basadi. Gavi matha and Kanakagiri are the other tourist hotspots.
- Itagi Mahadeva temple is Famous for architecture.
- Hanamasagara kabbaragi falls.
- Hirebenakal is awarded for 2800 years megalithic stone sites.
- Goddess Huligemma devi temple at munirabad.
- Sanapura lake.

Secondary Sector

Service sector

Based on the information obtained from the Survey of Employer in the Service Sector from Survey of Employer, major demand is found in the BFSI sector for the job role of Marketing Executive and in the Capital Goods sector for the job role of Field Officer. There is a need for the training centres to commence training in these job roles.

Table 38: Demand of Job Roles and duration in Secondary Sector

1. The District Skill Development Office conducted an extensive Industrial Survey to estimate the aggregate labour demand in the district. After taking inputs from several companies in

Scanned with OKEN Scanner

the district and interacting with Industrial Association representatives, the following metrics and suggestions are being proposed.

2. Koppal is a hub for the Steel industry. It has the maximum number of employees in the manufacturing sector. The industry also employs a considerable number of people in Sales and Services roles. The demand for skilled Machine Operators, Technicians, skilled labourers is ever-present in most of manufacturing companies. Koppal Toy cluster is still need to operate in a full potential. The service sectors are also growing in the district with the demand for Drivers, Sales executives, Packers, Loaders and Helpers increasing constantly.
3. Taking this into consideration, the District Skill Development Office proposes to provide training in the following above job roles to bridge the gap between industry demand and the skills of the youth of the district. This will lead to improved placements of trained candidates and the skill training imparted will achieve the Objective.

Gap Analysis

Demand Supply Gap in Manufacturing and Service sector

It's clear from the data that supply is high and demand is low IT ITES, Apparel and Logistics sectors for job roles like Domestic Data Entry Operator, Hand Embroider and Courier Delivery Executive.

Skill Gaps – Primary Sector

Table 39: Major focus crops in the district

S.No.	Focus Crops	Horticulture	Others
1	Paddy	Potato	Fishery
2	Greengram	Onion	Poultry
3	Bajra	Papaya	Others
5	Groundnut	Tomato	Sericulture
6	Sunflower	Guava	
8	Maize	Mango.	
9	Jowar	Chillies	
11	Bengalgram		
12	Sugarcane

			placement opportunities are more.
2	Large number of SSI in Manufacturing	2	Low cost competitors
3	Abundance of water for further development of agriculture-related activities	3	Practical exposure is limited

Source: DSDP tool kit Koppal district

Strategies and Priorities based on SWOT and other inputs

- Long term Technical Training Institutions can be explored to be part of Short-Term Training Centres. Many of the private ITI's, Polytechnics, Degree colleges can be encouraged to take up Employment oriented short-term programs
- District having a well irrigated land has the yield less than State and national average youth need to be motivated towards more of Agricultural related skills like Dairy farming, Organic Farming, etc. related skills.
- Training of trainers in all the sectors and trades have to be organised and qualified Trainer for Skill Development Institutions should be mandatory
- Counselling and Mobilisation has to be strengthened to include more of SC, ST, Women and minorities population of the district
- Many of the native skills like handloom are on the verge of extinct and should be encourage by opening up more and more Native skills related training centre near the vicinity of the native skill industry
- Reach out campaign should be arranged to industry and expose them to the process of Skill Training to appreciate the competency gained by the skilled manpower to make them understand that the skilled manpower should be paid higher wages than the minimum wage.
- Increase the number of the Primary Sector Training institutions to maximise the yield of the agriculture produce. Post Harvesting and Food Preservation is also other skills which the youth have to be trained.

Table 41: Details of top job roles where demand is higher than the training capacity

Sl.No	Trade	Sector
4	Field Executive	Capital Goods
5	Machine Operator	Automotive

Annual Work Plan

Objectives

The major objectives of the District Skill Development Plan are.
To provide convergence platform among skilling stakeholders to standardize skilling, promote maximumutilization of resource under common skilling norms in the state.
To conduct workshops, capacity building and awareness programmes to promote the skill developmentprogrammes in the district
To Study the demand and supply in district and implementing and monitoring such job roles quality training
Develop robust skill plans, monitoring and evaluation enable MIS system covering all skilling activates align with requirement of the district.

Initiative

The primary initiative is to assess and fulfil the demand for skilled personnel, Enrolment & Counselling of Trainees, Monitoring of Training Activities, Promoting Self Employment Activities, DSC Capacity Building Activities in the district. This includes identifying key sectors with a demand for skilled labour, developing targeted training programs, and collaborating with local industries to

Scanned with OKEN Scanner

ensure a steady supply of well-trained professionals. This initiative aims to bridge the skill gap, enhance employability, and contribute to the overall economic development of the district.

Categories of work plan:

Demand for Skilled Personnel in the District
Enrolment & Counselling of Trainees in the District
Monitoring of Training Activities in the District
Promoting Self Employment Activities in the District.
DSC Capacity Building Activities in the District.

Key Activities

1. Conduct a District-Wide Skill Demand Assessment

- **Objective:** Identify the current and future demand for skilled personnel in various sectors within the district.
- **Activities:**
  - Survey local businesses and industries.
  - Analyze employment trends and labour market data.
  - Conduct focus group discussions with industry leaders and stakeholders.
- **Timeline:** Q2, 2024-25

2. Develop Sector-Specific Training Programs

- **Objective:** Design training programs tailored to the needs of key sectors identified in the demand assessment.
- **Activities:**
  - Collaborate with industry experts to develop curriculum
  - Identify and procure necessary training materials and equipment.
  - Recruit qualified trainers and instructors.
- **Timeline:** Q2, 2024-25

3. Establish Partnerships with Local Industries

- **Objective:** Forge strong partnerships with local businesses and industries to ensure training programs align with industry needs.
- **Activities:**
  - Host meetings and networking events with industry representatives.
  - Draft and sign Memorandums of Understanding (MoUs) with key partners.
  - Establish an advisory board comprising industry leaders.
- **Timeline:** Q1-Q4, 2024-25

4. Implement Training Programs

- **Objective:** Deliver high-quality training programs to equip individuals with the skills required by local industries.
- **Activities:**
  - Schedule and conduct training sessions.
  - Assess and certify trainees upon completion of the program
  - Provide hands-on practical training and simulations.
  - Assess and certify trainees upon completion of the program.
- **Timeline:** Q1-Q4, 2024-25

5. Monitor and Evaluate Training Outcomes

- **Objective:** Ensure the effectiveness of training programs and make necessary improvements.
- **Activities:**
  - Track trainee progress and job placement rates
  - Collect feedback from trainees and industry partners.
  - Conduct periodic reviews and make adjustments to training programs.

Scanned with OKEN Scanner

- **Timeline:** Ongoing

6. **Organize Job Fairs and Placement Drives**
- **Objective:** Facilitate employment opportunities for trainees by connecting them with potential employers.
- **Activities:**
  - Plan and organize job fairs and placement drives.
  - Invite local businesses and industries to participate.
  - Provide career counselling and resume preparation assistance to trainees
- **Timeline:** Q4, 2024-25

7. **Promote Awareness and Outreach Activities**
- **Objective:** Raise awareness about the training programs and attract participants.
- **Activities:**
  - Launch a marketing campaign through local media and social media platforms.
  - Distribute promotional materials and brochures.
  - Conduct informational sessions in schools, colleges, and community centres.
- **Timeline:** Q1-Q4, 2024-25

Resource and Budget

Table 42: Resource and Budget requirement of Koppal district

Sl No	Activity	Addition resources required (YES/NO)	Type of resources required(individual consultant or agency)	Number of resources required	Annual Tentative Budget Required (in INR)
1	Orientation Program	Yes	Consultant	1	6,00,000
2	Creation of DSDP 2024-25	Yes			
3	Monitoring of the TCs				
4	Performance Review	Yes			
5	Strengthening the Institute-Industry Eco-system	Yes	Conducting workshops, meetings, programs etc, Branding and Logistics cost		5,00,000
6	Organizing Entrepreneurship Development Programs (EDPs)	Yes	CEDOK	CEDOK Trainer	2,00,000
9	Job Fairs, Placement Drives, Awareness & Outreach Activities	Yes	DSC will be plan accordingly with the coordination of consultant		10,00,000=00
7	Awareness on the various Schemes	No	DSC will be plan accordingly with the coordination of consultant		
	Total				**23,00,000**
