DISTRICT SKILL DEVELOPMENT PLAN
SHIMOGA

Prepared By

District Skill Mission,
Shimoga, Karnataka,
India

To,

The Secretary
Ministry Of Skill Development and Entrepreneurship
Government of India,
Room No.322,3rd Floor, Sharam Shakti Bhawan
Rafi Marg, New Delhi-110001

Dear Sir/Madam,

Subject: "Submission of District Skill Development Plan(DSDP) for the year 2024-25 under SANKALP scheme".

Ref: 1) Executive Director-03KSDC FileNo:KSDC/SANKALP/DSDP/CR-05/2024-2025 Dated on 13th June 2024

With Reference to the above, we are submitting herewith District Skill Development Plan 2024-25 under SANKALP programme for consideration please.

Thanking You,

Yours faithfully,

(Dr Gurudatta Hegade)
Deputy Commissioner,
Shimoga District

Deputy Commissioner,
Shimoga District

To Whom It May Concern,

This letter is to formally confirm that I have reviewed the documents submitted by the district personnel. I hereby attest that the information provided is accurate and complete to the best of my knowledge. Additionally, I approve the plan as outlined in the submitted documents.

Sincerely,

Signature
Deputy Commissioner,
Shimoga District

Name : Gurudatta Hegade
Designation: Deputy Commissioner
Mail ID :deo.shimoga@gmail.com

Declaration

"This is to Confirm that the plan has been prepared by the district,and all the data, information has been taken from the credible sources and referenced in the proposal".

METHODOLOGY

This report is prepared in consultation with various stakeholders such as District Skill Development Department, District Industries Center, National Rural Livelihood Mission, National Urban Livelihood Mission, Center for Entrepreneurship Development of Karnataka, District Employment Exchange, Industrial Training Institutes, Polytechnics, Youth Employability Services - Kendra, Government Tool Room and Training Centre, Rural Self Employment Training Institute, Chamber of Commerce and Industries, Factories Owners Association, and others too. With support from Officers of district administration this report was developed.

The data projected in this report is taken from the following references.

1. Brief Industrial Profile of Shimoga District
2. District Wise Skill Gap Study for the State of Karnataka
3. Economic Survey Report – 2021-22 – Published by Government of Karnataka
4. DSDP Templates – Data Collected from District Coordinator
5. Shimoga District At A Glance 2021-22 – Published by Statistical Department
6. Discussions with students, skill aspirants, Trainers, resource persons and others.

The methodology followed to prepare this report was mainly experience driven and sample visit based field study. However, consultation with various stakeholders has also given lot of inputs in developing the action plan.

1. INTRODUCTION

Shimoga district, officially known as Shivamogga district is a district in the Karnataka state of India. A major part of Shimoga district lies in the Malnad region or the Sahyadri. Shimoga city is its administrative centre. Jog Falls view point is a major tourist attraction. As of 2011 Shimoga district has a population of 1,752,753.

Shimoga district is a part of the Malnad region of Karnataka and is also known as the 'Gateway to Malnad' or 'Malenaada Hebbagilu' in Kannada. The district is landlocked and bounded by Haveri, Davanagere, Chikkamagaluru, Udupi and Uttara Kannada districts. The district ranks 9th in terms of the total area among the districts of Karnataka. It is spread over an area of 8495 km. The district is administratively divided in to 07 taluks namely Soraba, Sagara, Hosanagar, Shimoga, Shikaripura, Thirthahalli, and Bhadravathi.

2. DEMOGRAPHY

As per census 2011, the total population of Shimoga is 17,52,753. Out of which 8,77,415 were males and 8,75,338 were females. This gives a sex ratio of 998 females per 1000 males. The percentage of urban population in Shimoga is 62.37 percent. This gives a sex ratio of 998 females per 1000 males.

Shimoga lies between the latitudes 13°27' and 14°39' N and between the longitudes 74°38' and 76°04' E at a mean altitude of 640 meters above sea level. The literacy rate of Shimoga district is 72.06% out of which 76.92% males are literate and 67.18% females are literate. The total area of Shivamogga district is 8478 sq.km with a population density of 207 people per sq.km.

The major religions in the district are Hindu (84.41%) and Muslim (13.39%) of the total population respectively. Main spoken languages are Kannada (74.87%), Urdu (11.57%),

2.1. POPULATION

The total population of Shimoga district according to 2011 Census is around 17,52,753, out ofwhich 8,77,415 are males and 8,75,338 are females.

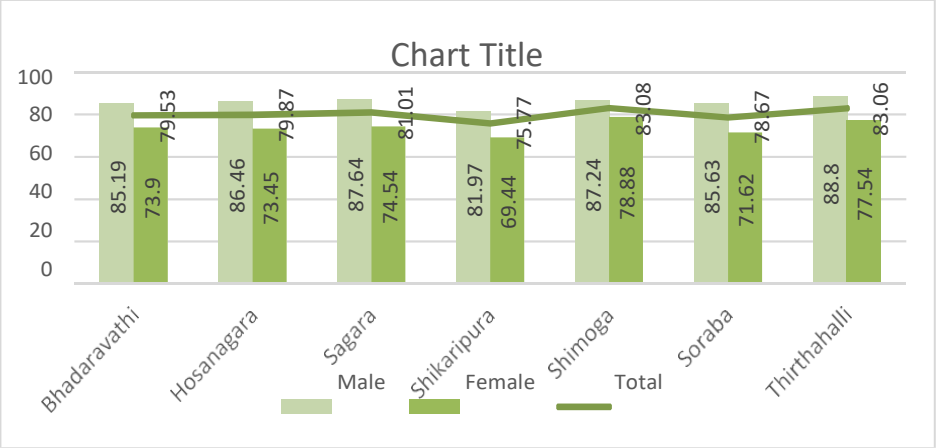

Sl no.	Category		Numbers	Male	Female
1.	Population	Total	17,52,753		
		Rural	1129026	565821	563205
		Urban	623727	311594	312133
2.	Sex Ratio	Total	998		
		Rural	995		
		Urban	1002		
3.	Schedule Caste Population	Total	308158	153546	154612
		Rural	225316	112674	112642
		Urban	82842	40872	41970
4.	Schedule Tribe Population	Total	77718		
		Rural	59244	29247	29997
		Urban	18474	8974	9500

2.2. LITERACY RATE

The overall literacy rate of Shimoga district is 80.45 percent while the male & female literacy rate is 86.07 and 74.84 percent respectively. At the block level, a considerable variation is noticeable in male- female literacy rate. Shikaripura has the lowest literacy male and female rates at 81.97 and 69.44 percentages respectively. Shimoga block, subsequently, has the highest literacy rates– among both males and females. The male literacy rate is 75.26 percent, while that for females is 55.16 percent.

Literacy Rate (Census 2011)

	Total	Rural	Urban
Total	80.45%	76.37%	87.07%
Male	86.07%	83.14%	91.35%
Female	74.84%	69.6%	84.24%

3. ECONOMIC PROFILE

Agriculture is the backbone of the district's economy. The district predominantly has Rice Mills, Foundries Textile industry. In agriculture 29.04% is share of food grains, 11.20% is of commercial crops. The remaining is from animal husbandry and other allied sources in agriculture.

Sl. No		Agriculture
1	Food crops	Paddy, Jowar, Ragi, Bajra, Maize, Wheat, Vegetables, Pulse and Other millets
2	Commercial crops	Cotton, Sugar Cane, Tobacco, Groundnut, Castor, Coconut, Arecanuts, Oil Seeds and Other Spices
3	Horticulture crops	Banana, Lemon, Pineapple, Mango, Grapes, guava, sapota, Pomegranate, papaya
4	Net area sown	2,92,463 ha
5	Major source of irrigation	Canals, Open wells, Tanks, Tube wells, lift Irrigation and other Sources
6	Area under forests	2,76,855 ha
8	Major economic activities	Foundry, Agriculture, animal Husbandry, sheep rearing, handloom weaving Industry

Foundry, agriculture and animal husbandry are the major contributors to the economy of Shimoga district. The crops cultivated in this district are paddy, arecanut, cotton, maize, oil seeds, cashewnut, pepper, chili, ginger, Ragi. Karnataka is the largest producer of arecanut in India, the majority of which is cultivated in the Shimoga district. Spices like, clove, pepper, cinnamon, cardamom are grown along with areaca plants. This multi cropping can help in maximum utilization of land space and improve soil fertility. As spices have high commercial value it provides additional income to farmers.

Iron, agriculture, Textiles and engineering are the major industries in Shimoga district. Foundry activity has a long history there and Pearlite Liners (P) Led., one of the oldest industries of Karnataka (earlier known as Bharath Foundry), is the largest private-sector employer in the district. As of year 2000, there were about 9800 industrial units in Shimoga District (small, medium and large), with more than 41,000 employees.

In the District Shimoga to encourage industrialisation of the district: KIADB Nidige Industrial area in Bhadravathi taluk; Machinahaali Industrial Area. Mandli-Kallur Industrial area in Shimoga taluk; Shimoga Industrial estate in Shimoga; Kallahalli Industrial estate in Shimoga. KIADB Devakathikoppa Industrial Area. KSSIDC Siddlipura Industrial Area. Major industries in Shimoga district are VISL and MPM. But currently they are not fully functioning.

4. EMPLOYMENT SCENARIO

As per the data provided from district industries center, the employment scenario is depicted as follows:

Number of Factories Employees

Sl No.	Taluk	Factories

6. SWOT ANALYSIS

STRENGTHS:

- Shimoga district has 42 ITI's, 10 polytechnics and 01 Govt tool room and training centre(GTTC) for long term certification program.
- RSETI, JSS, CEDOK and many PMKVY, CMKKY Centres exist for shortterm certification program.
- Shimoga district is having 4 major industries and more than 12000 small scale industries.
- Research facilities are available in UAS (University of Agricultural Science) in Shimoga.
- Shimoga has fertile land which is because of river Tunga. And it surrounded by water reservoir like BRP Dam, Linganamakki Dam, Gajanuru Dam etc.
- Well established industries - auto component, VISL,KMF And textile manufacturing

WEAKNESS:

- Industries are concentrated mainly in Shimoga taluk
- Less participation of private players in needful job role sectors.

OPPORTUNITIES:

- There is potential for tourism and Food Processing industry. It is the leading sector in terms of income and investments generated
- For untrained and unemployed women folk, huge opportunities are available in textile/ readymade garment sectors.
- Capitalize the returnee IT workforce for fostering entrepreneurial mindset
- Growing interest of colleges, employers and institutions to contribute to the ecosystem

THREATS:

- In adequate infrastructure in the formal training institutes, Creating low end Jobs.
- Aspirant not interested to migrate from Shimoga
- Attitude based issues/ Mindset issues need to be addressed
- Fading interest in local arts & crafts
- Continued reliance on agriculture for employment

7. DISTRICT SKILL COMMITTEE

The district skill committee is formed to impart skill training that is demand-oriented than supply-centric. The District Skill Committees (DSCs) work on job fairs, skill mapping, apprenticeship promotion, monitoring and reviewing of all skilling schemes in the district. The District Skill Committee composition is as under,

Sl no	Members of the District Skill Committee	Designation
1.	District Commissioner	Chairman
2.	Chief Executive Officer, Zilla Panchayat	Member
3.	Joint Director, District Industrial Centre	Member
4.	District Social Welfare Officer	Member
5.	Joint Director, Agriculture Department	Member
6.	Deputy Director, Horticulture Department	Member
7.	District Officer, Backward Community and Minority Welfare Department	Member
8.	Deputy Director, Public Education	Member
9.	District Director, P U Education	Member
10.	District Officer, Labor Department	Member
12.	Planning Officer, District Urban Development Cell	Member
13.	Principal of Government ITI College	Member
14.	District Lead Bank Manager	Member
15.	Commissioner, City Corporation	Member
16.	Executive Officers of Taluk Panchayat	Member
17.	Representatives from Industry sector - Four Members	Member
18.	Representatives from Training Institutes - Two Members	Member
19.	District Employment Officer	Member
20.	District Skill Development Officer	Member Secretary

1. POTENTIAL INDUSTRIES IN THE DISTRICT

Agriculture and Food Processing:

- It is the leading sector in terms of income and investments generated.
- There are two rice mills clusters in Shikaripura and Shivamogga taluk.
- The district is recognized as Agri export zone.

Artisan:

- There are 13,126 self-employed artisans.
- 3 wood carving clusters in Sagar, Shivamogga and Soraba taluks.
- There is shopping bags/fancy items and toys cluster in Shivamogga taluk.

Energy:

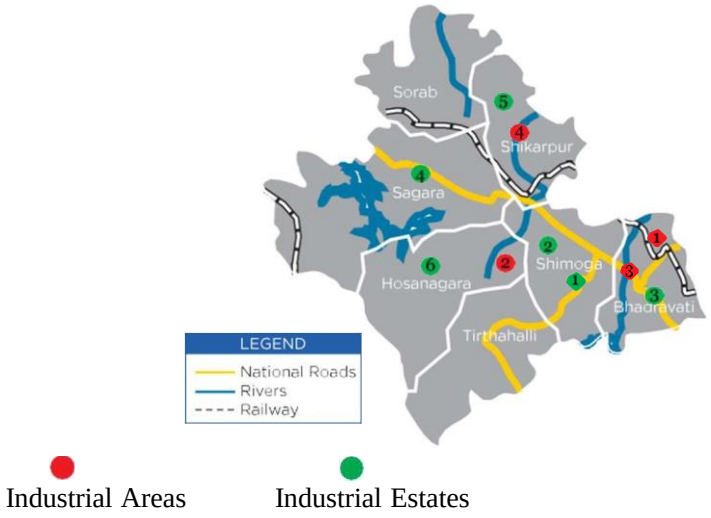

- Opportunities for investment – Mini Hydro Power Plants 3MW to 5MW
- Wind Mills

Others focus sectors:

- Iron and steel, dairy units, paints and chemicals, automobile-based units

2.INCREMENTAL DEMAND

Industrial land scape

11 Large and medium scale industries with aggregated investment INR 849 Crore.764 MSME industries with aggregated investment INR 240 Crore

Natural Resources

- Iron ore
- Bauxite
- China Clay
- Quartz
- Building Stone

Table 39: Industrial Areas in Shivamogga

Sl. No.	Industrial Area
1	Auto Complex Kalhalli
2	Mandli-Kallur
3	Industrial Development Region, Machenahalli, Shimoga
4	Industrial Development Area, Devakathikoppa
5	Industrial Colony, Sagar Road, Shimoga
6	Shivamogga/Bhadravathi
7	Sanda, Shikaripura

Based on the information obtain of the Survey of Employer in the Secondary Sector from Survey of Employer. Totally 200 industries were surveyed in which 16 were Large Scale Industries, 66 were Medium Scale Industries and the remaining 118 were Small Scale Industries. Sectors covered were from Automotive, BFSI and Retail. It's found that the major requirement is in the Automotive Sector for the job role of Technician. There are requirements in Retail Sector in which at present the Short-term skill training is not training the youth much in these job roles.

Demand of Job Roles in Secondary Sector

Sl. No	Sector	Role	Indicative Demand
1	Automotive	CNC Operator	170
2	Automotive	Welder	88
3	Automotive	Machine Operator	92
4	Automotive	Electrical Technician	9
5	Banking, Financial Services & Insurance	Field Executive	92
6	Automotive	Fitter	40
7	Automotive	Foundry Assistant	158
8	Automotive	Technician	191
9	Retail	Retail Sales Associate	8
10	Green Jobs	Solar Technician	10
	Sub Total for Secondary Sector		858

Survey was conducted with 200 different employers in various sectors. 16 were Large Scale Enterprises, 66 were Medium Scale Enterprises and the remaining 118 were Small Scale Enterprises. Sectors covered mainly were Automotive, Healthcare, IT, Retail and Electronics.

Based on the information obtain of the Survey of Employer in the Service Sector from Survey of Employer. Major demand is found in the Automotive Sector for the job role of Helpers. There is also comparatively more demand for the role of CRM Domestic Non-Voice as well. There is need for the training centres to commence training in these job roles. There are requirements for the roles of Customer Care Executive and House Keeping which are also not being currently trained.

Demand of Job Roles in Service Sector

Sl. No	Sector	Role	Indicative Demand
1	Automotive	Sales Executive	57
2	Automotive	Helpers	1957
3	Domestic Worker	House Keeping	32
4	Banking, Financial Services & Insurance	Marketing Officer	48
5	Banking, Financial Services & Insurance	Front Office Executive	23
6	Banking, Financial Services & Insurance	Loan Processing Officer	18
7	IT-ITeS	CRM Domestic Non -Voice	212
8	Telecom	Customer Care Executive (Call Centre)	98
9	Automotive	Service Technician	28
10	Banking, Financial Services & Insurance	Front Office Executive	23
	Others		
	Sub Total for Services Sector		2496

3.Gap Analysis

Demand Supply Gap in Manufacturing and Service sector

It's clear from the data that demand is low but supply is high for job roles like Documentation Assistant, Retail Trainee Associate, Light Motor Vehicle Driver Level 3 and Business Correspondent & Business Facilitator.

Trades which are high in supply but low in demand

Sl.No	Sector	Trade
1	Logistics	Documentation Assistant
2	Retail	Retail Trainee Associate
3	Automotive	Light Motor Vehicle Driver Level 3
4	Banking Financial Services and Insurance	Business Correspondent & Business Facilitator

The Supply for House Keeping with Mechanised Equipment, Casting or Foundry Assistant/Helper, Front Desk Officer - Financial Institutions, CRM Domestic Non -Voice and CNC Operator / Machining Technician Level 3 is low but demand is more for these job roles in the district.

Trades which are low in supply but high in demand

Sl. No	Sector	Trades
1	Iron and Steel	House Keeping with Mechanised Equipment
2	Automotive	Casting or Foundry Assistant/Helper
3	Banking Financial Services and Insurance	Front Desk Officer - Financial Institutions
4	IT ITES	CRM Domestic Non -Voice
5	Automotive	CNC Operator / Machining Technician Level 3

It's clear from the data that demand and supply is low for job roles like Self Employed Tailor, Hand Embroiderer, CCTV Installation Technician and Assistant Fashion Designer.

Trades which are low in supply and low in demand

Sl. No	Sector	Trade
1	Apparel Made Ups and Home Furnishing	Self Employed Tailor
2	Apparel Made Ups and Home Furnishing	Hand Embroiderer
3	Electronics and Hardware	CCTV Installation Technician
4	Apparel Made Ups and Home Furnishing	Assistant Fashion Designer

It's clear from the data that demand and supply is high for job roles like Sewing Machine Operator and Casting or Foundry Assistant/Helper

Trades which are high in supply and high in demand

Sl. No	Sector	Trade
1	Apparel	Sewing Machine Operator
2	Automotive	Casting or Foundry Assistant/Helper

3	Assistant Electrician	Electronics and Hardware
4	Self Employed Tailor	Apparel Made Ups and Home Furnishing
6	TV repair technician	Electronics and Hardware
7	accounts executive	Banking, Financial Services & Insurance
8	accounts payable and receivable	Banking, Financial Services & Insurance
9	Self Employed Tailor	Apparel Made Ups and Home Furnishing
10	Domestic Data Entry Operator	IT-ITeS

11 PROPOSED ACTION PLAN

Shimoga is a highly probable region for development in all sectors. With special focus on skills there are various interdisciplinary action plans proposed such as,

i. Institutional Strengthening at the District Levels for Planning, Delivering, and Monitoring of Skill Development Programs
ii. Improved Quality and Market Relevance of Skill Development Programs
iii. Improved Access and Completion of Skill Training for Women and Other Disadvantaged Groups
iv. Revival of traditional crafts
v. Skill fairs and job fairs at block level

11.1 Institutional Strengthening at the District Levels for Planning, Delivering, and Monitoring of Skill Development Programs

I. **Mobilization & Counselling of the aspiring candidates:** The Mobilization & Counselling Sub-Committee will be much focused on to the mobilization & Counselling criteria for skill development training as it constituent's major role in order to implement schemes across all the sectors. Monitoring need to be in a micro level so that the District Skill Committee member get accurate information and reliable data in real time. Monthly awareness of the skill development activities will be held at block level (12 Programs a year). During the counselling session the aspiring candidates shall also undergo self-assessment career aspiration test.

II. **Orientation Program:** One day Orientation program for the accredited and affiliated TPs to be provided for the trainers to build the knowledge about Schemes its objectives among the stakeholders. Well planned execution will be done through Mobilization & Counselling Sub-Committee at District Skill Committee level with the coordination of various line departments. This activity will be tentatively organized on the quarterly basis in consultation with other concert departments in the districts.

III. **Creation of DSDP 2024-25:** The District Skill Committee shall begin the collection of data for District Skill Development Plan 2024-25 from 15th June 2024 with the coordination of Sub-Committees and the timelines to complete the plan on or before 30th July 2024.

IV. **Employer and student feedback mechanism:** The Training Quality Sub-Committee shall encourage the collection of feedback from employers during survey employer and on-going trainings at the TCs of the district. It will be reviewed during the performance review meeting along with the other indicators identified by the District Skill Committee.

V. **Performance Review:** The MIS, Monitoring and Convergence Sub-Committee will conduct quarterly performance review meetings based on the performance and compliance review activities undertaken by the skilling departments in the districts with the participation from all the existing TCs in the district. The MIS, Monitoring and Convergence Sub-Committee will also act as the single point of contact to address the concerns or suggestions of the TCs.

11.2 Improved Quality and Market Relevance of Skill Development Programs

I. **Strengthening the local Skilling Eco-system (Institute-Industry Connect):** Industry connect will be set up in order to fill the gap between the supply and demand side of the skilling eco-system. In order to bridge the skill-mismatch and difference in outlook between vocational training programs and industry demands following activities shall be undertaken by the Industry Interface Sub-Committee

a) Quarterly apprenticeship awareness workshops with District Employment Officer, Directorate of Employment and Training, Govt. of Karnataka with the participation from youth, TCs and Industry.

b) Quarterly sector wise industry connects workshops with the participation from small, medium & large-scale companies to understand the perspective of the industry and skill work force demand.

c) Organizing quarterly employment fairs cum mobilization campaign with the participation from TCs, Placement agencies and Industry Partners in coordination with District Employment Officer, Directorate of Employment and Training, Govt. of Karnataka and District Industries Centre provided with wage, self-employment or training opportunity to the youth.

d) Formal collaboration with the industry (MoU): The Industry Interface Sub-Committee shall develop the formal sustainable partnerships with the local industry / industry associations to support the training and placement activities such as placement of candidates, trainer and student exposure visits, participation in job fairs etc in the district. The Committee shall make efforts in signing the minimum two MoUs on half yearly basis.

II. **Organizing Entrepreneurship Development Programs (EDPs):** The Capacity Building Sub-Committee will conduct one Entrepreneurship Development Program with coordination from Centre for Entrepreneurship Development of Karnataka (CEDOK) on monthly basis for aspiring and existing entrepreneurs to start or improve their business. The Capacity Building Sub-Committee will organize the program to educate the participants on banking, taxation, start-up norms, entrepreneurship, market linkage etc., This Sub-Committee can involve representatives from financial institutions, experts in taxation and entrepreneurship.

III. **Creating Awareness on Trades:** The qualitative and quantitative findings reveal that educated youth aspire for white-collar jobs. Creating awareness and encouraging youth to take up shop-floor jobs with appropriate incentives will solve labour shortage issues in sectors such as bus body building, food processing, Plant Supervisors, Constructional supervisor, Logistics supervisors etc. The Capacity Building Sub-Committee will drive the promotional campaigns on quarterly basis with local successful entrepreneurs, alumni's and industry experts through radio messages, video messages, posters etc.

IV. **Training of Trainers:** The Training Quality Sub-Committee will gather the sector wise and job role wise requirement of existing TCs on monthly basis for the preparation of the training calendar in coordination with the concerned sector skill council and other district ('s).

11.3 Improved Access and Completion of Skill Training for Women and Other Disadvantaged Groups

Improved Access and Completion: The Capacity Building Sub-Committee will take up with new initiatives for enhancing inclusion of other disadvantaged groups in the district. Set up of proper mechanism with monitoring and evaluation process with across the TCs and across all sectors in the district.

I. **Creating a well-balanced social category pool:** The Training Quality Sub-Committee will plan accordingly to maintain the social category balance across all the sectors available at the district. This Sub-Committee will direct the TCs to encourage for the training by giving proper mobilization for Persons with disabilities (PwD), SC, ST, Women and Minority Trainees.

Resource and Budget

Resource and Budget requirement of Shimoga district

Monitoring of Training Activities in District

Sr. No.	Initiative	Key Activities	Start Date	End Date	Resources Needed	Budget
1	Job Fair	1. Planning and organization 2.identification of potential Employers 3.Promotion Activities 4.Followup and Evalution	01-Oct-2024	31-Mar-2025	1.Distrubution of Promotion materials And adds in local news papers 2.Employer and candidates materials	450000
2	Monitoring Training Activities	1.Monitoring of training Centers 2.Identify training gap 3.Performance review of training centers	01-Oct-2024	31-Mar-2025	Consultant	550000
3	Trainees Enrollment	Awareness Programs	01-Oct-2024	31-Mar-2025	Distributions of promotional materials	400000
4	Improve the effectiveness of skill development programs	Conduct meetings, workshops etc	01-Oct-2024	31-Mar-2025	Trainer	330000

11.4 REVIVAL OF TRADITIONAL CRAFTS

India is a land of unity in diversity. The same is applicable in-terms of its rich diverse traditional arts and crafts. The ancestral heritage in-terms of art and craft must be preserved. There are lot of such extinct and endangering art and crafts. The main stream skill training has made these skills irrelevant to the present scenario. But there are efforts in identifying such traditional crafts in consultation with field experts and local resource persons.

The Karnataka Skill Development Corporation has also given special emphasis in sustaining and focusing on such skills too. In this light the skill department is planning to encourage the following traditional crafts.

i. Hasechittara
ii. Terracotta Pottery making
iii. Bamboo crafts
iv. Traditional Hand Embroidery

Indian traditional crafts have both national and international markets. Thus, once the training is initiated there shall be market connects also to be focused on.

11.5 SKILL FAIRS AND JOB FAIRS AT BLOCK LEVEL

Earlier job fairs and skill fairs were conducted at district level. Now it is planned to conduct Skill Fairs and Job Fairs at block level and institutional levels. These moves shall enable the aspirants to gain the best skills and get jobs accordingly. Also, the recruiting companies focusing a particular target group will be benefitted. Separate action plan is made to serve this purpose.

12 CONCLUSION

By the successful fulfillment of the above action plan the following is expected.

1. Inclusive Development
2. Convergence of Skilling schemes
3. Boost in tourism sector
4. Strengthening vulnerable classes economically through community centric approach
5. Skill and Livelihood value chain development

However, there is a need for collective efforts and collaboration among various stakeholders in achieving these sustainable outputs.
