Background

About DSDP

Ministry of Skill Development & Entrepreneurship (MSDE) developed District Skill Development Plan (DSDP) tool kit to develop DSDP at district level. Karnataka Skill Development Corporation (KSDC) is focusing on Improved Quality and Market Relevance of Skill Development Programmes across the districts of the state. KSDC, Project Management Team (PMT) is working on the District Skill Development Plan Toolkit. PMT collected data for District Skill Development Plan Toolkit.

The format is prepared on the basis of the DSDP. As-Is Scenario, Aggregate Demand, Analyse the Gap, & Annual Work Plan.

In section 1 of as scenario, captured the details on District Overview, As Is Schemes, As-Is Trainer Data, As-Is ITI Trade Data, As-Is TC Information, As-Is Agri, Trainee Analysis, Cost of Training. It helped in developing District Skill Matrix. District skill matrix is the tool to measure the skill training capacity and process maturity of the district w.r.t Technical and Vocational Training (TVET). The district skill matrix has been designed with the State Improvement Grant (SIG) Matrix and is structured around the three components listed below

Component 1 – Institutional Strengthening
Component 2 – Enhancing Market Relevance and Quality
Component 3 – Inclusion and Access

In section II of aggregate demand, captured the details on Survey Employer, Skill Gap Study, Macro Analysis Based Demand, Demand GPDP & Govt. Agenda, Self-Employment and Primary sector

Further analyzed the gaps in section III with the components like matrix analysis and gap analysis.

District Skill Committees (DSCs)

Since the District Skill Committees (DSCs) are mandated to do planning and skill training they need assistance and guidance in the form of a standard framework. For example, most of the districts across the country have DSCs, but are called with different names such as District Skill Development Committee, District Skill Development Authority etc. The members of these committees are District administration officials like District Employment officer, Fisheries officer, Agriculture officer, Panchayati Raj officer, Lead Bank Manager, General Manager District Industries Centre etc. Members from Industry can also be co-opted under DSC.

District Skill committee is formed in Tumakuru district and the committee is engaging in (i) Planning, (ii) Mobilisation and Counseling, (iii)Industry engagement & Entrepreneurship, (iv) Monitoring & Evaluation and MIS and (v) other Support Functions. There are 34 members from different line departments are the members of the DSC and the committee chairperson is Deputy Commissioner of the District.

All the Eight Committees have been formed in Tumakuru District with all the requisite members appointed as per the requirement of DSC Skill Book Sub-committees are formed which can take up specific set of activities and projects. Some of the sub committees that the DSC is given below.

Sub-committee-1:Mobilisation& Counselling

S.No	Composition	Designation & Department
1	Chairman	Project Director ,District Urban Development Cell (DUDC), Tumkur.
2	Co-Chairman	Deputy Secretary (Development) Zilla Panchayat, Tumkur.
3	Member	Commissioner and Chief Officer of all ULB's (Tumkur Mahanagara Palike, Tumkur, Sira, Tipatur, C.N. Halli, Gubbi, Huliyar, Koratagere, Kunigal, Madhugiri, Pavagada, Turuvekere.)
4	Member	Executive Officers of Taluk Panchayat (Tumkur, C.N. Halli, Gubbi, Sira, Koratagere, Kunigal, Madhugiri, Pavagada, Tipaturu, Turuvekere.)
5	Member	Mission Manager ,NULM Section, Tumkur.
6	Member	Principal ,District Cluster College, (Lead College) Tumkur
7	Member	District Youth Coordinator ,Neharu Yuva Kendra, Tumkur.

Sub-committee-2:Training Quality

S.No	Composition	Designation & Department
1	Chairman	Joint Director, Dept. of Collegiate Education, Tumkur.
2	Member	Deputy Director , Dept. of Pre-University Education (DDPU), Tumkur.
3	Member	Principal , Government Tool room& Training Centre (GTTC), Tumkur.
4	Member	Principal , Government Polytechnic, Tumkur.
5	Member	CMKKY/PMKVY Training Centre Representative, Tumkur.

Sub-committee-3:Industry Interface

S.No	Composition	Designation & Department
1	Chairman	Joint Director ,District Industries Centre, (DIC) Tumkur.
2	Member	District Labour Officer, District Labour Office, Tumkur.
3	Member	President , District Chamber of Commerce & Industries, Tumkur.
4	Member	I President , ndustrial Area Association, Tumkur.
5	Member	Job Development Executive , Youth Employability Services (YES Kendra) Tumkur.
6	Member	District Coordinator, SANKALPA Programme, Tumkur.
7	Member	CMKKY/PMKVY Training Centre Representative, Tumkur.

Sub-committee-4:Self Employment

S.No	Composition	
1	Chairman	Lead Bank Manager , Lead Bank, Tumkur.
2	Member	Director , Rural Self Employment Training Institute (RSETI), Tumkur
3	Member	Deputy Director , Dept of Handlooms & Textiles, Tumkur
4	Member	Assistant Director , Dept of Tourism, Tumkur
5	Member	Centre for Entrepreneurship Development (CEDOK) Representative

Sub-committee-5:Sub-Committee on Grama Panchayat Coordination

S.No	Composition	Designation & Department
1	Chairman	Deputy Secretary-1, Zilla Panchayat, Tumkur
2	Member	Executive Officers of TP (Tumkur, C.N. Halli, Gubbi, Koratagere, Kunigal, Madhugiri, Pavagada, Sira, Tipaturu, Turuvekere.)

Sub-committee-6:Agriculture

S.No	Composition	Designation & Department
1	Chairman	Joint Director , Dept of Agriculture, Tumkur.
2	Member	Deputy Director, Dept of Animal Husbandry & Veterinary Sciences, Tumkur.
3	Member	Senior Deputy Director , Dept of Fisheries, Tumkur.
4	Member	Deputy Director , Dept of Horticulture, Tumkur.
5	Member	Head & Senior Scientist , Krushi Vigyan Kendra (UAHS Representative), Tumkur.

Sub-committee-7:Capacity Building

S.No	Composition	Designation & Department
1	Chairman	Deputy Director, Dept of Social Welfare, Tumkur.
2	Member	District Tribal Welfare Officer, Dept of Tribal Welfare Department, Tumkur.
3	Member	District Officer, Dept of Minority Welfare, Tumkur.
4	Member	District Disabled Welfare Officer, Dept of Disabled Welfare, Tumkur.
5	Member	Deputy Director, Dept of Women & Child Welfare, Tumkur.
6	Member	Principal , Govt. Nodal ITI, Tumkur

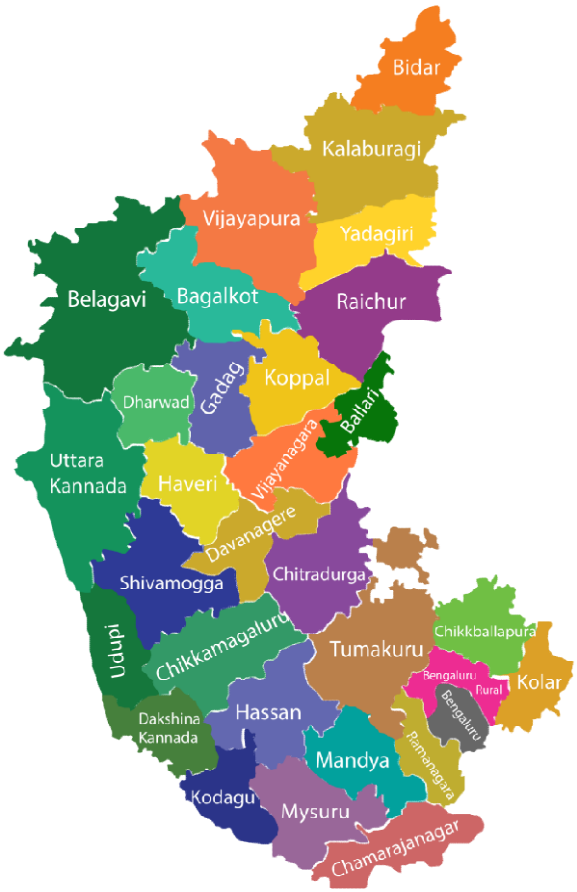

Sub-committee-8:MIS & Monitoring and Convergence

S.No	Composition	Designation & Department
1	Chairman	DSDO, Dept of Skill Development, Tumkur
2	Member	NIC Representative, District NIC, Tumkur.
3	Member	Assistant Director , Dept. of Skill Development, Tumkur.
4	Member	Assistant Statistical Officer, Dept. of Skill Development, Tumkur.
5	Member	Mahatma Gandhi National Fellow , MGNF, Tumkur.

Executive Summary

The Ministry of Skill Development and Entrepreneurship is the Nodal Institution dedicated to enhancing the employability of youth through skill development. In January 2018, MSDE launched the Skill Acquisition and Knowledge Awareness for Livelihood Promotion (SANKALP). Being implemented with the support of the World Bank, the initiative is aligned toward the overall objective of the National Skill Development Mission.

The project aims to implement a comprehensive strategy to bridge to gap between demand & supply of skilled workforce while nurturing the skill ecosystem through its core objectives of strengthening institutional mechanisms at the state level, building a pool of quality trainers and assessors, creating convergence among all skill training activities at the state level, establishing robust monitoring and evaluation system for skill training programs, providing access to skill training opportunities to the disadvantaged sections.

The District Skill Development Committees (DSDC) formed in each district have been assigned to formulate the District Skill Development Plan instituted by MSDE, as part of the SANKALP initiative to encourage DSDCs.

DSDP 2024-25 – Tumakuru, prepared by District Coordinator, District Skill Development Office, Tumakuru, has been possible with cooperation from all stakeholders concerned.

The District Skill Development Plan (DSDP) 2024-25 for Tumakuru district is an attempt to prepare the district's plan of action to 'enhance the access, quality, and capacity of skill development at the district level'. The report has been divided into four broad sections,

i) As-Is Scenario
ii) Aggregate Demand
iii) Skill Gap Analysis
iv) Action Plan

The first section, i.e. As-Is Scenario, provides a detailed overview of the District's Demography, Economy, Educational profile, and the existing skill ecosystem. The next section, i.e., Demand Aggregation, indicates the skilled workforce demand in the district from the major economic sectors (primary, secondary, and tertiary), based on secondary data collected from respective stakeholders. The third section, i.e., Gap Analysis, emphasizes the need to improve the existing mechanisms of delivering, monitoring, and evaluating skill development programs.

In the final section, i.e., Action Plan, the District considers the gaps addressed in the previous section and plans to incorporate feedback mechanisms to understand the challenges directly from the beneficiaries of skill programs i.e., students and employers. The Action Plan also consists of action plans of departments concerned with Skill Development and Employability in the District for the current financial year.

INRUDUCTION

District Overview

Tumakuru District is the fourth largest district in the state of Karnataka after Belagavi with an area of 10,598 km. Tumkur district consists of 10 taluks namely Chikkanayakanahalli, Gubbi, Koratagere, Kunigal, Madhugiri, Pavagada, Sira, Tiptur, Tumkur and Turuvekere.

Tumkur district is spread from southwest to northeast and is situated on the eastern side of Karnataka state. The district is lies between the north latitudinal parallels of 14 degrees 44 minutes to 14 degrees 20 minutes and east longitudinal parallels of 76 degrees 20 minutes and 77 degrees 31 minutes. The geographical area is 10,597 km².

The district has peculiar shape in that Pavagada which is one of its taluk is, totally detached from the remaining area of the district. This taluk is surrounded on all sides by area belonging to Andhra Pradesh except for a short stretch of land on the western border touching Chitradurga district. The remaining portion of Tumakuru district is bound on the north by Andhra Pradesh and Chitradurga, on the east by Bangalore Rural and Chikkaballapura districts, Mandya on the south, Ramanagara on south-east and Hassan on the west. Chikmagalur too shares its border on the west for short distance.

Demographic Profile

According to the 2011 census Tumakuru district has a population of 2,678,980. Tumkur has a sex ratio of 984 females for every 1000 males, and a literacy rate of 75.14 %.

SECTION – I: AS-IS ANALYSIS

Tumakuru District - Population 2011-2024

An official Census 2011 detail of Tumakuru, a district of Karnataka has been released by Directorate of Census Operations in Karnataka. Enumeration of key persons was also done by census officials in Tumakuru District of Karnataka.

In 2011, Tumakuru had population of 2,678,980 of which male and female were 1,350,594 and 1,328,386 respectively. In 2001 census, Tumakuru had a population of 2,584,711 of which males were 1,313,801 and remaining 1,270,910 were females. Tumakuru District population constituted 4.38 percent of total Maharashtra population. In 2001 census, this figure for Tumakuru District was at 4.89 percent of Maharashtra population.

There was change of 3.65 percent in the population compared to population as per 2001. In the previous census of India 2001, Tumakuru District recorded increase of 12.10 percent to its population compared to 1991.

Tumakuru Literacy Rate

Average literacy rate of Tumakuru in 2011 were 75.14 compared to 75.14 of 2001. If things are looked out at gender wise, male and female literacy were 82.81 and 67.38 respectively. For 2001 census, same figures stood at 76.78 and 56.94 in Tumakuru District. Total literate in Tumakuru District were 1,813,391 of which male and female were 1,006,024 and 807,367 respectively. In 2001, Tumakuru District had 1,525,485 in its district.

Tumakuru Sex Ratio

With regards to Sex Ratio in Tumakuru, it stood at 984 per 1000 male compared to 2001 census figure of 967. The average national sex ratio in India is 940 as per latest reports of Census 2011 Directorate. In 2011 census, child sex ratio is 959 girls per 1000 boys compared to figure of 949 girls per 1000 boys of 2001 census data.

Tumakuru Population 2024

What is the population of Tumkur district in 2024 ? The question though important has no correct answer. The last census of Tumkur was done in 2011 and next census of 2021 has been postponed or cancelled. But we can do projection of future Tumkur 2024 Population on the basis likely Population Growth Rate.

Year	Projected Population	
2011	2,678,980	26.79 Lakhs
2021	2,760,000	27.62 Lakhs
2022	2,760,000	27.69 Lakhs
2023	2,770,000	27.76 Lakhs
2024	2,780,000	27.81 Lakhs

Share of SC and ST rural and urban population in the District

	Total	Rural	Urban
SC Share of Youth Population (%)	1,92,640 (19.41%)	1,59,921 (21.3%)	32,719 (13.53%)
ST Share of Youth Population (%)	80,505 (8.11%)	68,011 (9.06%)	12,494 (5.17%)

There is significant population in the SC and ST whose skill training also plays an important role in the overall development of the communities.

Agricultural Profile

Tumakuru, commonly known as Tumkur, is a small industrial city about 70 km from Bengaluru. It is also known as the 'Coconut City' due to numerous palm trees found in this town. Tumakuru is located northwest of Bengaluru at an elevation of 2696 feet or 822 meters. It is a part of the Tumkur district with its Ten talukas namely, Tumakuru, Sira, Turuvakere, Kunigal, Tiptur, Madhugiri, Koratagere, Chikkanayakanahalli, Gubbi and Pavagada, with its district headquarters in Tumakuru city.

Thrust Areas

- Hybrids in Paddy are the ruling varieties in the district.
- Rice mills, Coir industries, Oil extraction units are the major agri based industries in this region.
- The Indian Food park located at vasanthanarasapura Industrial area.

Major Crops are

- Major food crops-Ragi Maize, Groundnut, Paddy.
- Horticulture crop- Coconut, Mango, Banana, Pomegranate, Guava
- Vegetables- Tomato, Brinjal, Cucumber, Tamarind, Ginge
- Flowers- Aster, Crossandra, Jasmine, Chrysanthemum

Key Enablers

- Diverse Agro climatic condition
- Existence of Central Plantation Research Stations. Self Help Groups, Non-Government Organizations, Krishi Vigyan Kendras and Departmental Capacity Building Centres
- Flower market at Badavanahalli in Madhugiri
- Sheep market at Sira, C.N.Halli, Akkirampura, Kytsandra
- Coconut, Copra market at Tiptur.
- Food Park at Vasanthanarasapura (Tumkur)

Agri Yield Analysis

Yield gap analysis of Tumakuru district is captured, Coconut, Ragi, Groundnut, Arecanut, and Maize is widely spreading across the district .

Horticulture Analysis

Analysed the gap in yield of horticultural crops in the state. Banana, Mango, Lemon, Pineapple, Guava, Grapes, sapota, pomegranate and Papaya are major fruits crops cultivated in the district. Tomato, Onion and chilli are other major Horticultural crops grown in the district.

Economic profile

Total district GDP is INR 75,17,733 Laks for the district in the year 2021-22.

Education Profile

Based on the data available for the school enrolments, there is a consistency in the students from Class 1 to 11dropout details not available. This is the population to be targeted for the skill training as they are entering the employment sphere of the population. There is a need to address their livelihoods need through mobilization and counselling.

38	Tourism & Hospitality	Yes	No	Employment Opportunity in District	In district have many tourism historical places, many people are visiting to this place according that hospitality needs man power

Top Issues/Suggestions/Concerns of Training Partners

1. Some training partners find it difficult to mobilise candidates for emerging job roles.
2. Some of the training partners have a network of potential employers outside the district and even out of Karnataka. However, since a majority of the candidates do not wish to go outside Tumakuru, training partners face problems in placement of students.
3. Even if initially the candidates do accept the jobs out of district or state, eventually the candidate leaves the job due to homesickness or unwillingness to stay away from home; this in turn makes the company hesitant to hire candidates from placement fairs as it is hard to retain them.
4. Once a student gets enrolled in a trade, they at times leave it or are not sincere enough as they realize that their field of interest is different.
5. It would be helpful if there is a survey/study/mechanism, where students identify their field of interest when they are studying in schools. This would make it easier for them to take the right path towards their future instead of wasting the most important years of theirlife.

SECTION – IV: Annual Work Plan

District Goals

Tumakuru it is the administrative seat of Tumakuru district in the state of Karnataka, and administrated by Tumakuru City Corporation. This district is constructed of small villages and towns. Tumakuru city is the place for employment opportunity. People of Tumkur taluka have major employment opportunities in agriculture and horticulture. Major portion of the Tumakuru district have good irrigation Agriculture land; and also this city nearby Capital city of Karnataka. The primary source of income for the people is agriculture, milk production, employment in small scale, medium and large industries, and self-employment.

Skill development and financial inclusion scheme have currently been taken up aggressively. Skill development program has remained limited to a few areas, mostly with the limited scope of entrepreneurship as well as ones which requires job migration. Detailed mapping of training with economic activity as well as movement towards service-based sectors has been initiated.

As per suggestions from District Skill Committee, Entrepreneurship awareness programs should be provided to new trainees and after completion of training and guidance, financial help from bank should be provided for self-employment and innovations so that district can create ideal example for new opportunities.

STEPS TO BE TAKEN –

1. To become a bridge between demand and supply.
2. Design such an activity to fulfil demand of industries and other growing markets.
3. To develop a whole ecosystem with integrated digital platforms in the unorganized sectorwhich will help organize skills in the district real time job markets demand.
4. To encourage the new start-ups by providing them skills which they really require.
5. Focus on the student mobilization and counseling for particular trade selection.
6. To analyze and integrate the real time requirement of skill and continue to make changesas per the futuristic vision.
7. Dual training system and encouraging PPP for better results.

New Trades to be introduced

Sl.No.	Sector	Job Role	Minimum eligibility	Duration	NSQF Qp Code
1	Agriculture	Agri Service Input Dealer	Minimum Education: 10th pass	Minimum Education: 10th pass	AGR/Q7804
		Micro Irrigation Technician	Minimum Education: 8th pass	200 Hours	AGR/Q1002
		Organic Grower	Minimum 5th pass Preferable	200 Hours	AGR/Q1201
		Horticulturist –Protected Cultivation	Minimum Education: 10th pass	NA	AGR/Q1004
		Coconut Grower	Minimum Education: 8th pass	390 Hours	AGR/Q0503
2	Food Processing	Baking Technician / Operative	Preferably after Class X	240 Hours	FIC/Q5005
		Spice Processing Technician	10th Class Preferably	240 Hours	FIC/Q8502
		Traditional Snack & Savory Maker	8th Class Preferably	240 Hours	FIC/Q8501
		Pickle Making Technician	8th Class Preferably	240 Hours	FIC/Q0102
		Dairy Products Processor	10th Class Preferably	240 Hours	FIC/Q2001
3	Retail	Sales Associate	Minimum Education: 10th pass	320 Hours	I/RAS/Q0104

5	Aerospace and Aviation	Drone Technician	10th Pass with Science and Maths	800 hours (6 months)	DGT/2019

RPL Plan

RPL Plan for Tumakuru District					
Trade/ Occupation with High No. of People	**Approx. Number**	**Sector**	**Possible QPNOS**	**RPL Plan**	**Next Step/Time Lines**
Mason	60	Construction	CON/Q0103	Tumakuru district fastly growing city so that in daily life so many building are constructing so that it need a lot of masons who have done this work by learning from their forefathers but they are not certified. This would help them in getting a certificate in the art which they have known their whole life.	
Plumber	40	Plumbing	PSC/Q0104	Plumbers will be given certificate course in ITI, Diploma and other institutions.	
Hand Embroider	80	Apparel	AMH/Q1001	Many Womens are already know hand embroidery and are currently members of OFPO but they do not have any formal certification. This will help them get that recognition.	
Sewing Machine Operator	40	Apparel	AMH/Q0301	Many women already doingthis work with certification	

Component – 1: Institutional Strengthening at the District Levels for Planning, Delivering, and Monitoring of Skill Development Programs

I. **Creation of DSDP 2024-25:** The District Skill Committee shall begin the collection of data for District Skill Development Plan 2024-25 with the coordination of Sub-Committees and the timelines to complete the plan on or before 30th July 2024.

II. **Mobilization & Counselling of the aspiring candidates:** The Mobilization & Counselling Sub-Committee will be much focused on to the mobilization & Counselling criteria for skill development training as it constituents major role in order to implement schemes across all the sectors. Monitoring need to be in a micro level so that the District Skill Committee member get accurate information and reliable data in real time. Monthly awareness of the skill development activities will be held at block level (12 Programs a year). During the counselling session the aspiring candidates shall also undergo self-assessment career aspiration test.

III. **Awareness on the various Schemes:** The Mobilization & Counselling Sub-Committee will work on creating the awareness for the accredited and affiliated TPs to be provided for the trainers to build the knowledge about Schemes its objectives among the stakeholders. Well planned execution will be done through Mobilization & Counselling Sub-Committee at District Skill Committee level with the coordination of various line departments. This activity will be tentatively organized on the quarterly basis in consultation with other concert departments in the districts.

Component – 2: Improved Quality and Market Relevance of Skill Development Programs

I. **Feedback Mechanism:** The Training Quality Sub-Committee will drive the mechanism for the feedback system across all the on-going trainings at the TCs level across the district on a regular basis. It will be reviewed during the performance review meeting along with the other indicators identified by the District Skill Committee. This committee will be directed towards the capturing of the student feedback and take corrective actions which will be a self-evaluation for the TCs.

II. **Strengthening the Institute-Industry Eco-system (Institute-Industry Connect):** The Industry Interface Sub-Committee will drive the Quarterly apprenticeship awareness workshops with District Employment Officer, Directorate of Employment and Training, Govt. of Karnataka with the participation from youth, TCs and Industry. Also Organizing quarterly job fairs cum mobilization campaign with the participation from TCs, Placement agencies and Industry Partners in coordination with District Employment Officer, Directorate of Employment and Training, Govt. of Karnataka and District Industries Centre provided with wage, self-employment or training opportunity to the youth.

III. **Trainer Development Initiative:** The Training Quality Sub-Committee will gather the sector wise and job role wise requirement of existing TCs on monthly basis for the preparation of the training calendar in coordination with the concerned sector skill council and other district ('s). Since the quality trainers can able to train the trainees in a high level of quality teaching, initiative will be taken by this committee for the overall development of the trainer within the district.

IV. **Formal collaboration with the industry (MoU):** The Industry Interface Sub-Committee shall develop the formal sustainable partnerships with the local industry / industry associations to support the training and placement activities such as placement of candidates, trainer and student exposure visits, participation in job fairs etc in the district. The Committee shall make efforts in signing the minimum two MoUs on half yearly basis.

V. **Setting up the Aptitude Test:** The Training Quality Sub-Committee will conduct one aptitude test module for the trainees on quarterly basis to enhance and monitor the quality of training done. The committee will coordinate with TCs and will be monitor accordingly.

VI. **Organizing Entrepreneurship Development Programs (EDPs):** The Capacity Building Sub-Committee will conduct one Entrepreneurship Development Program with coordination from Centre for Entrepreneurship Development of Karnataka (CEDOK) on monthly basis for aspiring and existing entrepreneurs to start or improve their business. The Capacity Building Sub-Committee will organize the program to educate the participants on banking, taxation, start-up norms, entrepreneurship, market linkage etc., This Sub-Committee can involve representatives from financial institutions, experts in taxation and entrepreneurship.

Component – 3: Improved Access and Completion of Skill Training for Women and Other Disadvantaged Groups

I. **Creating a well-balanced social category pool:** The Training Quality Sub-Committee will plan accordingly to maintain the social category balance across all the sectors available at the district. This Sub-Committee will direct the TCs to encourage for the training by giving proper mobilization for Persons with disabilities (PwD) and Minority Trainees. Quarterly review meetings will be taken up by the committee including the grievance meet which helps to improve the overall development across all sectors and job roles.

10	Creating a well-balanced social category pool	No	DSC will be plan accordingly with the coordination of consultant		
Total					15,20,000

Suggestion:

Long & Short term skilling /central schemes from all ministries

Skill development schemes run by all the ministries / central government should be run in a single digital platform. i.e. Skill India Portal.

District Skill Committee must have access of Skill India Portal at district level. This will enable DSC as well as other stakeholders from the district who are concerned with skilling. This will empower DSC for strategy planning and implementation.

All education departments should give a hand to develop the skill in outgoing students with Skill Department.

All Departments Skill Training Programmes should run under in a one tree.
