DISTRICT SKILL DEVELOPMENT PLAN 2024-25

DISTRICT SKILL DEVELOPMENT OFFICE, UTTARA KANNADA DISTRICT
KARNATAKA SKILL DEVELOPMET CORPORATION, BENGALURU

ಕರ್ನಾಟಕ ಸರ್ಕಾರ

To,

The Additional Secretary,
Ministry of Skill Development and Entrepreneurship,
Government of India,
Room No.322, 3rd Floor, Shram Shakti Bhawan,
Rafi Marg, NEW DELHI - 110001

Dear Sir/Madam,

Subject: Submission of District Skill Development Plan (DSDP) for the year 2024-25 under SANKALP programme".

Ref: 1. Office letter dated: 17th May 2024, D.O.No.76/Secy(MSDE)/2024
2. Executive Director-03, KSDC, Bangalore
No. KSDC/SANKALP/DSDP/CR-05/2024-25 Dated 13.06.2024

With reference to the above, we are submitting here with "District Skill Development Plan 2024-25 under SANKALP programme" for consideration please.

Thanking You,

Yours faithfully,

Deputy Commissioner,
Uttara Kannada

Deputy Commissioner
Uttara Kannada, Karwar

DECLARATION

"This is to confirm that the plan has been prepared by the District and all data, information provided has been taken from the credible sources and referenced in the proposal".

Background

About DSDP Toolkit

Ministry of Skill Development & Entrepreneurship (MSDE) developed District Skill Development Plan (DSDP) tool kit to develop DSDP at district level. Karnataka Skill Development Corporation (KSDC) is focusing on Improved Quality and Market Relevance of Skill Development Programmes across the districts of the state. KSDC, Project Management Team (PMT) is working on the District Skill Development Plan Toolkit. PMT collected data for District Skill Development Plan Toolkit.

The format is prepared on the basis of the DSDP. There are in total 22 sheets across the 4A's: As-Is Scenario, Aggregate Demand, Analyse the Gap, & Annual Work Plan.

In section I of as scenario, captured the details on District Overview, As Is Schemes, As-Is Trainer Data, As-Is ITI Trade Data, As-Is TC Information, As-Is Agri, Trainee Analysis, Cost of Training. It helped in developing District Skill Matrix. District skill matrix is the tool to measure the skill training capacity and process maturity of the district w.r.t Technical and Vocational Training (TVET). The district skill matrix has been designed to be in sync with the State Improvement Grant (SIG) Matrix and is structured around the three components listed below

Component 1 – Institutional Strengthening

Component 2 – Enhancing Market Relevance and Quality

Component 3 – Inclusion and Access

In section II of aggregate demand, captured the details on Survey Employer, Skill Gap Study, Macro Analysis Based Demand, Demand GPDP &Govt Agenda, Self-Employment and Primary sector further analysed the gaps in section III with the components like matrix analysis and gap analysis.

District Skill Committees (DSCs)

District Skill committee is formed in Uttara Kannada district and the committee is engaging in (i) Planning, (ii) Mobilisation and Counselling, (iii)Industry engagement & Entrepreneurship, (iv) Monitoring & Evaluation and MIS and (v) other Support Functions. There are 22 members from different line departments are the members of the DSC and the committee chairperson is Deputy Commissioner of the district.

The district skill committee is formed to impart skill training that is demand-oriented than supply-centric. The District Skill Committees (DSCs) work on job fairs, skill mapping, apprenticeship promotion, monitoring and reviewing of all skilling schemes in the district. The District Skill Committee composition is as under,

Sl. No.	Member of the District Skill Committee	Designation
1.	Deputy Commissioner	Chairman
2.	Chief Executive Officer, Zilla Panchayat	Member
3.	Joint Director, District Industrial Centre	Member
4.	District Social Welfare Officer	Member
5.	Joint Director, Agriculture Department	Member
6.	Deputy Director, Horticulture Department	Member
7.	District Officer, Backward Community and Minority Welfare Department	Member
8.	Deputy Director, Public Education	Member
9.	Deputy Director of women And Child Welfare Department	Member
10.	Deputy Directore Pre University Eduction	Member
11.	Project Director District Urban Development Cell	Member
12.	District Employment Officer	Member
13.	District Labour Officer, Labour office	Member
14.	District Development Manager, NABARD	Member
15.	Project Director, Distrcit Rural Development Agency	Member
16.	Deputy Director CEDOK	Member
17.	Deputy Director of Tourism department	Member
18.	District Lead Bank Manager	Member
19.	Principal of Government ITI College (Nodal)	Member
20.	Representatives from Industry sector - Four Members	Member
21.	Representatives from Training Institutes - Two Members	Member
22.	District Skill Development Officer	Member Secretary

All the eight committees have been formed in Uttara Kannada district with all the requisite members appointed as per the requirement of DSC Skill Book Sub-committees are formed which can take up specific set of activities and projects. Some of the sub committees that the DSC are given below.

1. Mobilization and Counselling
2. Gram Panchayat Coordination
3. Training Quality
4. MIS, Monitoring & Convergence
5. Self-Employment
6. Industry Interface
7. Capacity Building
8. Agriculture

Objectives:

The objectives of adoption and usage of DSDP tool kit are as follows

1. To understand the Skill ecosystem of Uttara Kannada district
2. To create Institutional Mechanism for designing, implementation, M&E of skill development programmes and assign roles and responsibilities to streamline the process for achievement of desirable outcomes.
3. To create convergence of skill development programmes to avoid the duplicity in the implementation at the district level and better utilisation of the financial resources
4. To understand the type, nature and coverage of the skill development activities implemented by the other departments apart from State skill development mission (SSDM)
5. To understand the capacity, competence and formal recognition of existing trainers in the district
6. To understand the current capacity of training partners across the variety of sectors and job roles and examine the status of adoption of NSQF framework
7. To understand the current role and capacity of primary sector in the economy of the district
8. To understand the coverage of marginalised communities in the demand sector and job roles, placement of the candidates, average remuneration, etc.
9. To understand the progress of the skill development activities within the district against the three major components

(a) Institutional Strengthening at the District Levels for Planning, Delivering, and Monitoring of Skill Development Programmes
(b) Improved Quality and Market Relevance of Skill Development Programs
(c) Improved Access and Completion of Skill Training for Women and Other Disadvantaged Groups.

10. To understand the demand and perspective of the industry in terms of expected
11. recruitment, job roles, skill gap, quality of training, incentivisation of skill workforce
12. etc.
13. To understand the gap between supply side and demand side for design and
14. improvement of current policies and procedures.
15. To create a holistic annual action plan with the defined outcomes based on the gaps
16. identified during the study.

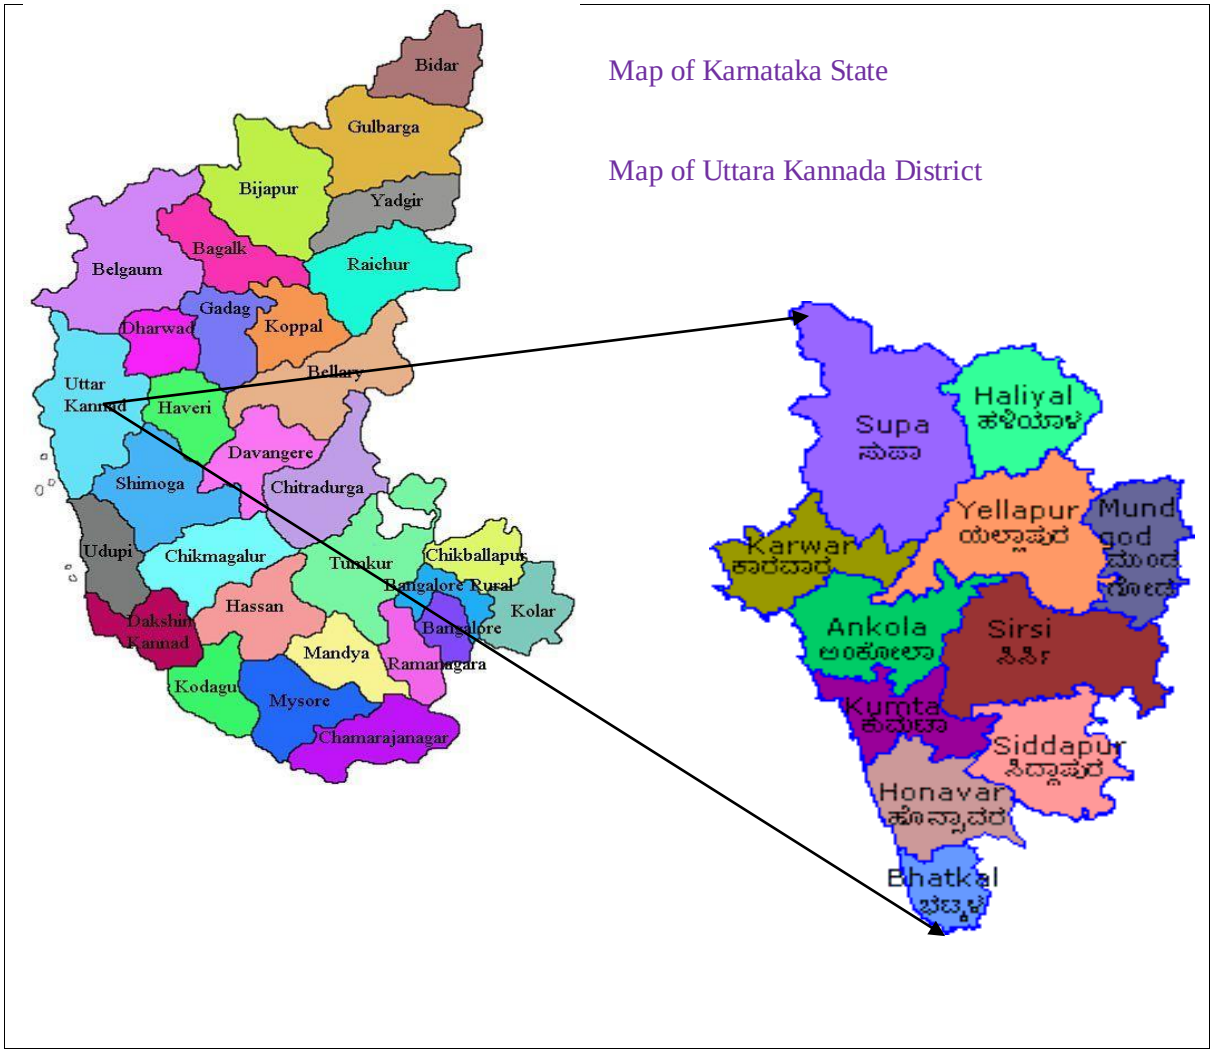

District Profile

District Overview

Uttara Kannada, formerly known as North Canara, is a district in the Indian state of Karnataka. It is bordered by the state of Goa and Belagavi District to the north, Dharwad District and Haveri District to the east, Shivamogga District, and Udupi District to the south, and the Arabian Sea to the west. The city of Karwar is the administrative headquarters of the district. Karwar and Sirsi are the major cities of the district and Karwar is the largest city in District Kumta, Bhatkal, Yallapur and Dandeli are other major towns in the district. The district is known for a number of beaches and water falls. Eighty percent of Uttara Kannada's area consists of forest.

The district's agroclimatic divisions include the coastal plain (consisting of Karwar, Ankola, Kumta, Honnavar and Bhatkal taluks) and Malenadu (consisting of Sirsi, Siddapur, Yellapur, Dandeli, Haliyal, Joida, and Mundgod taluks).

Demand side Profile

Industrial landscape

Natural resources

- Lime Shell
- Silica Sand
- Quartz
- Building Stone
- Ordinary Clay

Potential Sectors

Engineering and construction

Tile Industry

Coir Industry

Paper Industry

Glass and Ceramics

Tourism

Furniture Industry Food Processing

Potential Industries

Food Processing:

- Established processing units for Cashew, Pineapple, Coconut and Vanilla
- Scope for processing units for Coconut, Areca nut, Cocoa, Vanilla, Pepper, Cardamom & other spice crops
- Long coastline, suitable agro climatic conditions and availability of water offer huge scope

Mining:

- Large limestone deposits are available in the district

Port and airport Development:

- Karwar is one of the main ports of Karnataka
- Total length: 355 meters
- Capacity: 75,000 IT of Liquid Cargo storage & 30,000 MT of Warehouse
- Cargo: All commodities including Petroleum products
- The Government of Karnataka has a proposal to develop Karwar port and airport on Public Private Partnership (PPP) basis for 6 additional berths
- Sea bird Project; Greenfield Naval Base is located near Karwar

Other Focus Sectors:

- Artisan — There are 4 clusters in the district for wood carving activities in Honnavar, Siddapur, Sirsi and Kumta Taluks
- Jewellary cluster in Karwara Taluk
- Aromatic and Herbal processing
- Major hub for Fisheries with 6 cold storages support.
- Engineering and construction
- Coir Industry
- Paper Industry
- Glass and Ceramics

Table 21: Industrial area of Uttara Kannada district (As per DIC UK)

Sl no	Industrial Area	Extent (Acres)
1	Sirsi	20.00
2	Kumta	20.00
3	Haliyal	10.35
4	Dandeli	19.10
5	Ramanagara	19.00
6	Bhatkal	3.10
7	Karwar	4.25
8	Yallapur	9.35

		Total	1947

Gap Analysis

Demand Supply Gap in Manufacturing and Service sector

It's clear from the data that there more trainings were conducted in Capital goods, Electronics sectors in the district and demand is low for these sectors and job roles like CNC programming & Job Setting, Electrical technician.

However, the demand and supply are high in capital goods & manufacturing, Automotive, Apparel made ups and home furnishing sector.

Sector which are Low in supply and low in demand are Instrumentation & IT-ITeS sector of Industrial automation & IoT job roles.

Table25: Trades which are high in supply but low in demand

	Sector	Trade
1	Beauty & Wellness	Beauty care assistant

Table 26: Trades which are low in supply and low in demand

	Sector	Trade
1	Instrumentation	Industrial Automation
2	IT-ITeS	IoT

Table 28: Trades which are low in supply but high in demand

Sl. No	Sector	Trade
1	Capital Goods & Manufacturing	CNC Operator
2	Logistics	Packer
3	Tourism & Hospitality	F & B services
4	BFSI	Junior & Senior Assistant in banking sector

SWOT Analysis

Table 29: Details of SWOT Analysis of the district

Strengths		Weaknesses	
Sl. No	**Top 5 strengths of the District**	**Sl. No**	**Top 5 Weaknesses of the District**
1	Rich in mineral resources like limestone	1	Lack of skilled Manpower within district
2	Plenty of forest. Major area is covered with forest.	2	over dependence on agriculture
3	Natural beauty of peaks and coastlines	3	There is no market and farmers are at the mercy of intermediaries, moreover there is no price realization mechanism
4	Agriculture	4	Lack of availability of technical guidance.
5	Sheep, Goat, Cow farming	5	Education not being market oriented
Opportunities		**Threats**	
Sl. No	**Top 5 opportunities for the District**	**Sl. No**	**Top 5 threats for the District**
1	Fisheries	1	Flood
2	Processing industry	2	Summer
3	Hospitality industry	3	Migration of skill youth
4	Medical plants and spices	4	Lack of land that can be allotted
5	Scope for agriculture and food based industries.	5	High profile projects that are hampering development of other sectors.

Strategies and Priorities based on SWOT and other inputs

17. Long term Technical Training Institutions can be explored to be part of Short-Term Training Centres. Many of the private ITI's, Polytechnics, Degree colleges can be encouraged to take up Employment oriented short-term programs.
18. District having a well irrigated land has the yield less than State and national average youth need to be motivated towards more of Agricultural related skills like Dairy farming, Organic Farming, etc related skills.
19. With the Tourist places being abundant in the district more youth to be trained in Tourism and Hospitality sector as there are no related skill training centres at present.
20. Only 4 Blocks/ Taluks have small number of Short-Term Training Centres for the youth population in the district. More Training Centres to be opened based on the demand of requirements of the local and state level employment. As a start at least three training centres in each of the blocks have to be started in priority sectors like Banking, retail, logistics and Hospitality.
21. Training of trainers in all the sectors and trades have to be organised and qualified Trainer for Skill Development Institutions should be mandatory.
22. Counselling and Mobilisation has to be strengthened to include more of SC, ST, Women and minorities population of the district.
23. Many of the native skills like handloom are on the verge of extinct and should be encourage by opening up more and more Native skills related training centre near the vicinity of the native skill industry.
24. Reach out campaign should be arranged to industry and expose them to the process of Skill Training to appreciate the competency gained by the skilled manpower to make them understand that the skilled manpower should be paid higher wages than the minimum wage.
25. Increase the number of the Primary Sector Training institutions to maximise the yield of the agriculture produce. Post Harvesting and Food Preservation is also other skills which the youth have to be trained.
26. Well trained youth in different sectors like Hospitality, Retail, Banking and automotive sector helps in making the district grow as a commercial hub as it's in the Bengaluru – Mysore highway
27. Trained manpower tends to migrate either to Mysore or Bengaluru or elsewhere as the employment opportunities are less. So, to overcome this and more Primary sector training institutions could be setup with technology orientation to attract the youth back to their own irrigated land.

Annual Work Plan

1) Tourism : Uttara kannada is blessed with mountains, rivers abundant flora and founa, ancient temples. Top attractions in Uttara kannada district are Kudle beach gokarna, om beach gokarna, Rabintranathtagore beach Karwar, Dandeli white water rafting, Yana, Murdeshwar temple, Jenukallugudda, unchalli falls, sathodi falls, magod falls, vibhuti falls, Anshi national park, Dandeli wild life sanctuary, Idgunji temple, Marikamba temple sirsi, Madhukeshwar temple banavasi etc.

Uttara kannada gaining popularity as a popular tourist destination. The biggest challenge for this district is to attract the tourists from northern India who generally stop at Goa. This can be done with better infrastructure and experiential tourism development. The aspect of capacity building also has to be explored where the human resource needs to be trained. This required addressing infrastructural deficiencies, awareness through advertisement. There are several home stays in Uttara kannada district there is a demand for hotel management and hospitality sector job roles like house keeping management, customer relationship management, event management, food and beverage management etc.

Naturalist is also required in order to develop the tourism who specializes in natural history, especially in the study of plants and animals in their natural surroundings.

Uttara kannada is famous for several beaches like Om beach gokarna, vannalli beach kumta, Ravindra Nath Tagore beach Karwar etc. Tourists come from all over the country to enjoy the beauty of beaches. In order to save their lives their must be appointment of life guard.

- Mapping of tourist sites and gathering necessary information about the sites and documenting it.
- Persuading private investors to set-up tourism and hospitality related training centres and empanelling them under CMKKY.
- Training guide with English communication, professional training in building customer centricity by soft skill training sessions.
- Providing training of life guard by qualified experts, and creating employability. This not only provides employment but also increase the number of tourist from the point of view of safety. This will develop tourism.
- Skill training in F & B Service trainee, F& B Service steward, and Guest house caretaker,housekeeping management etc. Under CMKKY and helping the trained candidates from the training centres to placed in home stays with the help of tourism department.

2) Agriculture and fisheries: Uttara kannada is endowed with 142 km of coastline. Fisheries is an important livelihood activity for the fishermen in Uttara Kannada district. Agriculture is the primary sector. Major agriculture crop is paddy, maize, ground nut.

Hence awareness of latest scientific methods of farming, maintenance, and storage of fish, packaging should be given with required skill training.

- Skill Training in Fish seed grower, chilling plant technician, and aquaculture technician with the help of KVK.
- To impart skill training on innovative techniques in agriculture sector with the help of agriculture department and RSETI.
- This will results increase in the agriculture yield. It is encouraging for dairy forming. Own business can be run from dairy farming. This will be very helpful for women. So they become self employed

3) Nursery development : Lots of medicinal plants can be found in Uttara kannada district like ajwain, aloe vera, basil, curry leaves, lemon grass etc.There is lack of knowledge about medicinal uses in the youth. With the help of retired scientists and experts, DSC will create awareness on growing Medicinal plants and their marketing, After the awareness drive, the forest department and forestry college will train the growers. So medicinal plants can be grown in the vacant area and its producthelps to create self employment.

4) Personality development training: In Uttara kannada district the major population is in the rural area, they are suffering from lack of skills. And most of them are give more value to government jobs.

Training institutes in the district lack sophisticated machinery and infrastructure for training. Practical exposure is lacking. They want to improve their language and communication abilities. Feel that the students cannot compete with their counterparts from cities due to them having less soft skills. And the major point is education not being market oriented. & Low motivation levels of the youth. So in order to reduce the unemployment in the district youth needs training on personality development. Conduct career counselling sessions in schools and colleges to help youth make the right career choices. This will helps the youth in right career choice especially the girls.

5) Promote Awareness and Outreach Activities: Rise awareness about the training programs to the students of ITI, SSLC, and other colleges.

Activities:

Component – 1: Institutional Strengthening at the District Levels for Planning, Delivering, and Monitoring of Skill Development Programs

I. **Creation of DSDP 2025-26:** The District Skill Committee shall begin the collection of data for District Skill Development Plan 2025-26 with the coordination of Sub-Committees and the timelines to complete the plan.

II. **Strengthening the Planning and Monitoring:** The Mobilization & Counseling Sub-Committee will be responsible for the proper planning and monitoring at the district level by initiating Monthly awareness of the skill development activities will be held at block level (12 Programs a year). Also this committee will drive the monitoring action on the active TCs regarding the placement and the wages that the trained candidates get. The Mobilization & Counseling Sub-Committee will work on creating the awareness for the accredited and affiliated TPs to be provided for the trainers to build the knowledge about Schemes its objectives among the stakeholders.

III. **Awareness on the various Schemes:** The Mobilization & Counseling Sub-Committee will work on creating the awareness for the accredited and affiliated TPs to be provided for the trainers to build the knowledge about Schemes its objectives among the stakeholders. Well planned execution will be done through Mobilization & Counseling Sub-Committee at District Skill Committee level with the coordination of various line departments. This activity will be tentatively organized on the quarterly basis in consultation with other concert departments in the districts.

Component – 2: Improved Quality and Market Relevance of Skill Development Program

I. **Strengthening the Institute-Industry Eco-system (Institute-Industry Connect):** The Industry Interface Sub-Committee will drive the Quarterly apprenticeship awareness workshops with District Employment Officer, Directorate of Employment and Training, Govt. of Karnataka with the participation from youth, TCs and Industry. Also Organizing quarterly job fairs cum mobilization campaign with the participation from TCs, Placement agencies and Industry Partners in coordination with District Employment Officer, Directorate of Employment and Training, Govt. of Karnataka and District Industries Centre provided with wage, self-employment or training opportunity to the youth.

II. **Feedback Mechanism:** The Training Quality Sub-Committee will drive the mechanism for the feedback system across all the on-going trainings at the TCs level across the district on a regular basis. It will be reviewed during the performance review meeting along with the other indicators identified by the District Skill Committee. Quarterly feedback sessions will be planned accordingly for the type of the sectors and job roles.

III. **Formal collaboration with the industry (MoU):** The Industry Interface Sub-Committee shall develop the formal sustainable partnerships with the local industry / industry associations to support the training and placement activities such as placement of candidates, trainer and student exposure visits, participation in job fairs etc in the district. The Committee shall make efforts in signing the minimum two MoUs on half yearly basis.

IV. **Interaction for the Professionals and regular Aptitude test:** The Training Quality Sub-Committee will focus on the periodic interaction (quarterly once) of the professionals of industry and faculty from TCs across all sectors and job roles. The Training Quality Sub-Committee will conduct an aptitude test for the trainees to review their level of the training across all sectors and job roles.

V. **Organizing Entrepreneurship Development Programs (EDPs):** The Capacity Building Sub-Committee will conduct one Entrepreneurship Development Program with coordination from Centre for Entrepreneurship Development of Karnataka (CEDOK) on monthly basis for aspiring and existing entrepreneurs to start or improve their business. The Capacity Building Sub-Committee will organize the program to educate the participants on banking, taxation, start-up norms, entrepreneurship, market linkage etc., This Sub-Committee can involve representatives from financial institutions, experts in taxation and entrepreneurship.

Component – 3: Improved Access and Completion of Skill Training for Women and Other Disadvantaged Groups

I. **Creating a well-balanced social category pool:** The Training Quality Sub-Committee will plan accordingly to maintain the social category balance across all the sectors available at the district. This Sub-Committee will direct the TCs to encourage for the training by giving proper mobilization for Persons with disabilities (PWD) and Minority Trainees.

II. **Skill training for the Women:** The Capacity Building Sub-Committee will drive a special program on quarterly basis at the block level to recognize and identify the aspirants for the skill training for various job roles. The coordination from the line departments like Women and Child Development Department, Directorate of Women Empowerment etc will be adding to this to achieve the goal.

Resources and Budget Plan					
Sl. No.	Categories	Initiative	Key Activities	Resource Needed	Annual tentative Budget required (Rs)
1	Demand for skilled personal	Up skilling program for JTOs of ITI, Lecturers of Diploma, and other trainers through TOT training.	1. Identification of demand job roles. 2. Mobilization of respective job role trainer.	Master trainer, E-Learning activities, Exercise related to respective job roles.	3,00,000.00
2	Enrolment and Counsellin g of Trainees	Personality development and Carrier guidance training for ITI, SSLC, PUC, Diploma and Degree students.	1.Carrier action plan 2. Goal setting 3. Organising mock tests 4. Knowledge building session 5. Training in communication skills 6. Training in group discussion & Interview skills 7. Carrier guidance session from resource person 8. Resume building	Training centre, Cell phone, Laptop, Internet connection, Trainer, Resource person	3,00,000.00
3	Monitoring of training activities in the district	Monitoring of training activities in the district	1. Monitoring of training centres (CMKKY, PMVK) in which training is going on. 2. Preparation of DSDP 2025-26. 3. Performance	Consultant	2,00,000.00

			review of training centres.		
4	Promoting Self employmen t activities in the district	Handicrafts and manufacturer training on Banana Fibres	Training on preparation of artisan product of banana fibres like mat, basket, rope etc. Self employment awareness programme for women, PWD candidates by RSETI and CEDOK.	RSETI, CEDOK, Resource person, Trainer	5,00,000.00
		Handicrafts and manufacturer training on Bamboo product	1Training on preparation of artisan product of Bamboo. Self employment awareness program by RSETI and CEDOK.	RSETI, CEDOK, Resource person, Trainer	5,00,000.00
5	DSC Capacity building activities	Strengthening the institute and Industry Eco system.	1. Capacity building Training for Principals of ITI, Diploma, GTTC and other training institution.	Resource person, Community engagemen t, workshops and trainings	2,50,000.00
